The Secretaries of State for the Environment and Transport hereby direct that any person who intends at the inquiries to submit that any highway or proposed highway to which the draft Orders relate should follow an alternative route, or that, instead of improving, diverting or altering a highway, to which the draft Orders relate, a new highway should be constructed on a particular route, shall send to the Secretary of State for Transport at the Departments of the Environment and Transport, North West Region, Sunley Building, Piccadilly Plaza, Manchester M1 4BE not later than 12th October 1982 sufficient information about the alternative route or the route of the new highway, as the case may be, to enable it to be identified.
