GOSPORT BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

TOWN AND COUNTRY AMENITIES ACT 1974

Conservation Area in Gosport

Notice is hereby given that Gosport Borough Council have designated the following area in Gosport as a Conservation Area pursuant to section 277 of the Town and Country Planning Act 1971, as amended:

Forton Road. This area includes the frontage to St. Vincent Road, Nos. 36-46 Forton Road and Nos. 1-18 Ferrol Road, together with the school playing field (formerly Forton Field) and Halliday Close (formerly St. Vincent Quarters).

The above description of the Conservation Area is in general terms only, a plan showing the exact extent of the Conservation Area is deposited at the Town Clerk's Department, Town Hall, High Street, Gosport, and may be inspected by the public between the hours of 9 a.m. and 1 p.m., and 2 p.m. and 5 p.m. on weekdays (excluding Saturdays) and the Planning Section of the Technical Services Department at the Town Hall will be pleased to advise whether particular properties are within the Conservation Area and to supply further information generally.

The general effect of the designation of the Conservation Area is as follows:

- (a) The Local Planning Authority when determining applications for planning permission will have regard to the need to conserve and enhance the appearance and character of the area.
- (b) No building (or part of a building) in the area may be demolished without the consent of the Local Planning Authority except in those (mainly minor) cases exempted by direction of the Secretary of State for the Environment. Consent to demolition may be applied for separately, or as a specific part of a planning permission application for redevelopment. In assessing whether consent should be given for demolition, the authority will have regard to the importance of the building to the character or appearance of any part of the Conservation Area. A list of those descriptions of the demolitions which have been exempted by the Secretary of State and so can be carried out without consent is deposited for inspection with the plans of the Conservation Area referred to in 2 above.
- (c) No tree in the Conservation Area will be cut down, topped, lopper, unrooted, wilfully damaged or wilfully destroyed without the consent of the Local Planning Authority and a duty is placed on landowners to replace trees which are destroyed or die unless the Authority dispense with this requirement in a particular case.
- (b) Arrangements will be made by the Council for publicising all significant planning applications in the Conservation Area, so as to enable the public to submit comments to the Local Planning Authority before they make their decision on the applications.

The Conservation Area has been designated because of its special architectural or historic interest and the Council

intend to prepare in the future schemes for the preservation and enhancement of the Conservation Area and there will be public consultation before such schemes are implemented.
