DEPARTMENT OF THE ENVIRONMENT

ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979

CITY OF YORK

Proposal to Designate Parts of the City as an Area of Archaeological Importance

The Secretary of State for the Environment considers that parts of the City of York merit treatment as an "Area of Archaeological Importance" in accordance with the provisions of Part II of the Ancient Monuments and Archaeological Areas Act 1979. The Secretary of State therefore proposes to make an Order designating part of the City as an Area of Archaeological Importance.

The effects of the Archaeological Importance designation are that notice is required of any proposed flooding and tipping operations and any operations in the area which will disturb the ground (subject to certain exceptions set out in section 35 of the Ancient Monuments and Archaeological Areas Act 1979); the investigating authority (the York Archaeological Trust) will then be empowered to enter, investigate and if necessary to excavate the site of operations covered by the notice, and to investigate in advance of operations any site which may be compulsorily purchased. Certain other powers of entry to the site of operations are given. There are also restrictions on the use of metal detectors in any place situated in an area of archaeological importance. Failure to observe the requirements is an offence.

Copies of the draft Order and of the map to which it refers have been deposited with York City Council and North Yorkshire County Council and are available for public inspection (free of charge) during normal office hours at the following addresses:

- (a) The Chief Executive's Office, York City Council, The Guildhall, York, North Yorkshire.
- (b) The Clerk's Department, North Yorkshire County Council, Room 14, County Hall, Northallerton, North Yorkshire.
- (c) Department of the Environment, Yorkshire and Humberside Regional Office, City House, Leeds LS1 4JD.
- (d) Department of the Environment, Ancient Monuments Administration, Fortress House, 23 Savile Row, London W.1.

The Secretary of State may make the Order either without modifications or with such modification only as consists in reducing the area affected 6 weeks after the first publication of notice of his proposal to make the Order (this is the second publication).

Any representations concerning this notice should be made to the Secretary of State for the Environment, Ancient Monuments Administration, Fortress House, 23 Savile Row, London W.1, within 28 days of this notice. They should be in writing and should state the title of the draft Order.
