READING BOROUGH COUNCIL

The Borough of Reading (Residents' Parking Places) (Highgrove Street Area) Order 1983

Notice is hereby given that the Reading Borough Council, pursuant to arrangements made under section 101 of the Local Government Act 1972 with the Berkshire County Council in exercise of the powers of the said County Council under sections 1, 28 and 31 of the Road Traffic Regulation Act 1967, as amended, propose to make the above-mentioned Order, the effect of which will be to introduce a new Residents' Parking Scheme affecting residents of Highgrove Street.

The proposed Scheme will replace the existing Residents' Parking Scheme currently operating in the road.

The purpose of the proposed Scheme is to prevent congestion and to conform with current Department of the Environment criteria on Residents' Parking Schemes by allowing for the issue of Parking Permits in respect of designated parking places to residents eligible under the Scheme. This will replace the existing practice under the current Residents' Parking Scheme, which allows for the issue of certificates exempting residents from limited waiting restrictions.

In order to implement the proposed Scheme it will be necessary to introduce the following restrictions:

- (a) Permit Holders only, 8 a.m. to 8 p.m. Monday to Saturday in parts of Highgrove Street.
(b) Waiting limited to 2 hours. Return prohibited within 2 hours 8 a.m. to 6.30 p.m. Monday to Saturday in part of Highgrove Street.

The Council considered that, as a general principle, residents parking spaces in the area shall relate to the expected demand for Parking Permits. The balance of parking spaces are likely to be made available on a casual basis for non-permit holders as detailed above.

Further details of these proposals, together with a map showing the affected area may be inspected at the Reception Desk, Civic Offices, Civic Centre, Reading, during normal office hours.

If you wish to object to the proposals, you should do so in writing to reach the undersigned by 27th May 1983.

MISCELLANEOUS PUBLIC NOTICES

BERKSHIRE COUNTY COUNCIL

The Berkshire County Council Land Compensation Act 1973 (As Amended) Part 1. Claim

Notice is hereby given that the Berkshire County Council hereby gives notice that the length of highway known as the A322 Bagshot Road, Bracknell, was first open to public traffic on 21st October 1981.

Under Part I of the Land Compensation Act 1973, as amended, there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge onto the land in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date twelve months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements.

Any person entitled to a qualifying interest who considers he has a claim under the said provisions may obtain further information from the County Secretary, Berkshire County Council, Shire Hall, Shinfield Park, Reading (quoting ref. ENV 003 008 06 DRW).

Claims may be made twelve months after the date when the new or altered highway was first open to public traffic, that is on or after 22nd October 1982. Note that the amendment of the Act means that the claim period specified in the notice given at road opening no longer applies but claims should be made in writing to the address given above, within 6 years from this date. However, if an interest is disposed of or (insofar as the interest is in land which is not a dwelling) a tenancy is granted the claim must be made before such disposal or grant of tenancy.

TREASURY

RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 5th May 1983.

The Lords Commissioners of Her Majesty's Treasury read section 3 (2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 5th May 1983 and until the coming into operation of a further determination;

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the banking day preceding the date the principal is credited to the account of the authority's banker;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:

PWLB Quota Rates	Per cent. per annum Loans repayable		
	By instalments		At maturity
	E.I.P.	E.R.	
Over 1 but not over 3 years	10½	10½	10½
Over 3 but not over 4 years	10½	10½	11
Over 4 but not over 5 years	10½	10½	11½
Over 5 but not over 6 years	10½	11	11½

Over 15 but not over 25 years	12½	12½	12½
Over 25 years	12½	12½	12

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Where authorities borrow further sums these will attract interest at the appropriate rate in the non-quota set of rates unless the Public Works Loan Commissioners agree that they should be offset against the following year's quota.

My Lords concur.

The Treasury determine the rates of interest accordingly.
