TREASURY

RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 15th June 1983.

The Lords Commissioners of Her Majesty's Treasury read section 3 (2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 15th June 1983 and until the coming into operation of a further determination;

I. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;

II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

III. The rates of such interest shall be:

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. My Lords concur.

ROAD TRAFFIC REGULATION ACT 1967

The Trunk Road (Derestriction) (No.) Order 1983

Notice is hereby given that the Secretary of State for Transport proposes to make an Order under sections 72 (3) and 73 (1) and (2) of the Road Traffic Regulation Act 1967 on the Bath-Lincoln Trunk Road (A438) at Ashchurch in the Borough of Tewkesbury in the County of Gloucestershire.

The effect of the Order will be to provide that the speed limit on that length of trunk road which extends from a point 643 metres east of its junction with Northway Lane to a point 1,060 metres east of that junction will revert to the national speed limit of 60 m.p.h. This length of road would otherwise be subject to a 30 m.p.h. speed limit by virtue of the street lighting system.

However the application of the Department's speed limit criteria would not support such a limit.

A copy of the proposed Order, together with a plan illustrating the proposal and a statement explaining more fully the Secretary of State's reasons for proposing to make the Order may be inspected during normal office hours at the offices of the Tewkesbury Borough Council, Council Offices, Gloucester Road, Tewkesbury, Gloucestershire GL20 5TT.

Any person who wishes to object to the draft Order should send to the Director (Transport), Department of Transport, at the address below a written statement of the grounds of objection quoting ref. DSW 505628/2/TR44/05 by 18th July 1983.

Notice is hereby given that the Secretary of State for Transport proposes to make an Order under sections 1 (1), (2) and (3) of the Road Traffic Regulation Act 1967 as amended by Part IX of the Transport Act 1968 and Schedule 6 to the Road Traffic Act 1974 on the London-Penzance Trunk Road (A38) at Saltash in the District of Caradon in the County of Cornwall.

The effect of the Order will be to prohibit waiting at any time on the northern side of that length of the trunk road known as New Road which extends from a point 192 metres (210 yards) east of its junction with Callington Road eastwards for a distance of 19 metres (21 yards). This proposal is intended to remove impediments to the visibility of drivers wishing to emerge on to the trunk road and of drivers proceeding eastwards on the trunk road itself. Exceptions will be provided in the Order

to enable a vehicle to wait for so long as may be necessary for a person to board or alight from the vehicle, to enable goods to be loaded on to or unloaded from the vehicle, or to enable the vehicle to be used in connection with any building operation or demolition, or in the service of a local authority or a water authority or for the purposes of the police, ambulance or fire services, the removal of any obstruction to traffic, maintenance of the road or services therein. Exceptions will also be provided for disabled persons' badge holders and for a vehicle waiting upon the direction or with the permission of a police constable in uniform or of a traffic warden.

A copy of the proposed draft Order, together with a plan illustrating the proposal and a statement explaining the Secretary of State's reasons for proposing to make the Order may be inspected during office hours at the office of the:
