

road with Orchard Way and the access leading to the Caravan Site. The modification would allow traffic from these two thoroughfares to cross the southbound carriageway of the trunk road and turn right into the northbound carriageway. All traffic already on the trunk road would be banned from making right turns or "U" turns through the two gaps.

The three remaining gaps opposite the accesses to Beggars Bush, Jeremy's Lane and the southern junction with Broxmead Lane would be closed.
