

2. The Acquisition of Land Act 1981 requires that the Order shall be subject to special parliamentary procedure insofar as it authorises the purchase of land forming part of an open space unless the Secretary of State for the Environment certifies that he is satisfied that the land is required for the widening of an existing highway and that the giving in exchange of other land is unnecessary, whether in the interests of any persons entitled to rights of common or other rights, or in the interests of the public. The Secretary of State for the Environment intends to issue such a certificate.

3. The Secretary of State for the Environment is required to give formal notice of his intention to issue a certificate before he reaches a decision, to give an opportunity for objections to be made.
