

7. All transmissions, other than selective calling signals, digital signals designed solely to identify the transmitter and signals indicating the end of a transmission, shall be in plain speech only. The transmission of music in any form is not permitted.

8. The installation or use of repeater stations is not permitted.

9. The re-transmission of radio and television broadcast material is not permitted.

10. The equipment may not be installed or used in any aircraft or other airborne vehicle and shall not be installed or used on board ship except with the consent of the ship's Master.

11. No transmission which is grossly offensive or of an indecent or obscene character shall be sent.

12. The apparatus shall not be used for the purpose of advertising goods or services of any kind.

13. The Secretary of State may at any time after the date of issue (i) revoke this licence or vary the terms, provisions or limitations thereof by a notice in writing served on the licensee, or by a general notice published in the *London, Edinburgh and Belfast Gazettes*, or in a newspaper published in London, a newspaper published in Edinburgh and a newspaper published in Belfast addressed to all holders of Citizens' Band radio licences or (ii) revoke this Licence by a general notice published by being broadcast by the British Broadcasting Corporation addressed to all holders of Citizens' Band radio licences. Any notice given under this clause may take effect forthwith or on such subsequent date as may be specified in the notice. A licence which has been revoked by a notice in writing served on the licensee shall be returned to the Secretary of State.

14. In this licence "Secretary of State" means the Secretary of State for Trade and Industry and, except where the context otherwise requires, expressions in this licence have the same meaning as they have in the Wireless Telegraphy Act 1949 and regulations thereunder.

THE SCHEDULE

1. Combined Apparatus

Apparatus conforming to the Department of Trade and Industry specification MPT 1321 may be combined with apparatus conforming to the Department of Trade and Industry specification MPT 1320, but such apparatus may not be combined with any other wireless telegraphy apparatus.

2. Power Limits

The radio frequency power specified in the relevant MPT specification for apparatus with provision for connection of an external antenna and the effective radiated power specified in the relevant MPT specification for apparatus with an integral antenna may not be increased.

3. Antenna

(a) 27 MHz apparatus with provision for connection of an external antenna shall only be connected to an antenna which does not exceed 1.65 metres in length or 55 millimetres in diameter, including any loading coils and associated circuitry and casings but excluding any ground plane (i.e. wires, rods or plates connected directly to the outer braid of the coaxial feeder).

(b) The antenna for 934 MHz equipment with provision for connection of an external antenna shall consist of a maximum of four elements none of which may exceed 17cm in length.

(c) Where an antenna for use with Citizens' Band radio equipment is installed or used in or on any structure at a height above ground level exceeding 7 metres for 27 MHz equipment or 10 metres for 934 MHz equipment either an attenuator shall be fitted between the transmitter output and the feeder or the integral attenuator switch provided by the manufacturer shall be used to reduce the power to not more than 0.4 Watts at 27 MHz and not more than 0.8 Watts at 934 MHz.

4. Other

Power amplifiers and antennae other than those specified in paragraph 3 of this Schedule are not permitted.

Local restrictions: The installation and use of Citizens' Band radio equipment may be subject to local regulations

(including planning restrictions) and bye laws. You may also need to obtain consent before using equipment covered by this licence on private or public property.

Penalties: It is an offence under section 1 of the Wireless Telegraphy Act 1949, punishable by fine or imprisonment or both, to install or use Citizens' Band radio apparatus except under and in accordance with this licence.

Enquiries: Enquiries about the issue of this licence should be addressed to CB Licensing Unit, Chetwynd House, Chesterfield, Derbyshire S49 1PF.

For operating advice, users should consult the CB Code of Practice which is obtainable free of charge from all Post Offices. In particular they should note that Channel 9, although not a substitute for the 999 service, is used for emergencies and assistance only.

These terms and conditions shall come into effect on 5th March 1984 with the exception of Licence Condition 2 which shall apply to licences upon renewal on or after 5th March 1984.

A. J. Nieduszynski, on behalf of the Secretary of State for Trade and Industry.

31st January 1984.
