BASILDON DEVELOPMENT CORPORATION

THE NEW TOWNS ACT 1981

Compulsory Purchase of Land in Basildon

Notice is hereby given that Basildon Development Corporation on 1st March 1984 made the Basildon Development Corporation Dunton Hills Residential Neighbourhood Compulsory Purchase Order 1984 Number 2 under section 10 (1) (a) of the New Towns Act 1981. They have submitted this Order to the Secretary of State for the Environment for confirmation, and if confirmed, the Order will authorise them to purchase compulsorily the land described in the Schedule hereto for the purpose of comprehensive redevelopment of the area for residential purposes.

A copy of the Order and of the accompanying map may be seen at all reasonable hours at the offices of Basildon Development Corporation at Gifford House, London Road, Basildon, Essex.

Any objection to the Order must be made in writing to the Secretary of State for the Environment, Marsham Street, London S.W.1, before 16th April 1984 and should state the title of the Order and the grounds of objection.

The Secretary of State is not required in every case to arrange for a public local inquiry to be held or for objections to be heard by a person appointed by him for that purpose. It is important, therefore, that any objection should include a full statement in writing of the grounds on which the objection is made, as the objector may have no further opportunity to make such a statement.

Any owner or occupier of any of the land to which the Order relates may (whether or not he makes an objection to the Order) send to Basildon Development Corporation at the address below a request in writing that, in the event of the Order being confirmed by the Secretary of State, he be served with a notice stating that the Order has been confirmed and naming a place where a copy of the Order and of the map or maps and any descriptive matter annexed thereto may be seen. Any such request must state the name and postal address of the owner or occupier making it, must state the nature of his interest in the land and must include sufficient particulars to enable the extent and boundaries of his land to be identified.
