TREASURY MINUTE DATED 2ND APRIL 1985

The Lords Commissioners of Her Majesty's Treasury read section 3 (2) of the National Loans Act 1968 (1968) c 13 as amended, whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act

My Lords note that the Public Works Loan Commissioners will be offering local authorities loans with maturities between 1 and 10 years, on which interest will be variable and payable at 1 or 3 or 6 monthly intervals, and that such loans will be available up to the full extent of the quota for each local authority

In accordance with section 5 of the said Act, the Chancellor of the Exchequer now recommends that the rate of interest for loans on which the rate of interest is variable at 6 monthly intervals, made by the said Commissioners to local authorities (as defined in paragraph 1 of Schedule 4 to the said Act) on or after the start of business on 2nd April 1985 until the coming into operation of a further Determination shall be the sum of the 6 months London Inter-Bank Offered Rate ("LIBOR") and a margin of $\frac{1}{4}$ per cent. LIBOR for the purposes of this Determination is the average ascertained by the Bank of England between 10.30 and 11 a.m. on the relevant day of the 6 months London Inter-Bank Offered Rate of the 4 largest members for the time being of the Committee of London Clearing Bankers (or all the members

if less than 4), size being determined by reference to total deposits at the last balance sheet date. The LIBOR applicable to any loans shall be, for the first 6 months period of the loan (calculated from the date the principal is credited to the account of the authority's banker), the LIBOR in force at 11 a.m. on the date the principal is credited and, for each subsequent 6 months period, the LIBOR in force at 11 a.m. on the interest payment date beginning such subsequent period or, if that payment date is not a banking day, the first banking day of the interest period.

My Lords concur

The Treasury determine the rate of interest accordingly
