EREWASH BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971
TOWN AND COUNTRY AMENITIES ACT 1974

Designation of an Extension to Risley Conservation Area

Notice is hereby given that Erewash Borough Council in exercising its duty to determine which parts of its area are of special architectural or historic interest, the character of which it is desirable to preserve or enhance has determined that the area to the south and west of the existing Risley Conservation Area designated in 1969, also merits designation as an extension to this conservation area. Where boundaries follow for example, a hedge, or a wall, these features are always included in the conservation area.

South of Derby Road the area has been extended to the remainder of the associated buildings and playing field to Risley Hall whilst to the north of Derby Road the area has been extended westwards to include Manor Farm, Risley Lodge, the Rectory and the extensive number of mature trees between.

From its junction with the existing Conservation Area boundary at the rear of Melton House which lies south of Derby Road, the new boundary continues eastwards along the backs of the properties similarly fronting onto Derby Road until it reaches the existing track/field boundary leading to Goldenbrook Farm. Here the boundary turns south and follows this field boundary as far as the A52 embankment, where it turns westwards and follows the foot of the embankment as far as Breaston Lane. Here it turns north along the road before crossing the road south of an existing property called Beech Croft and then skirts the rear curtilages of properties including the Blue Ball Public House as far as the western boundary of 113 Derby Road. From here the boundary crosses Derby Road and then turns westwards along it as far as the track leading to Peatmeadow Farm from where it first turns north and then east following the boundary of and encompassing the Rectory and woodland in field number OS 6380, before turning north and then east and south along the bridleway leading to the Old Reservoir site to include Risley Lodge, and Manor Farm. It continues south along the bridleway until it reaches the rear boundaries of properties fronting onto the north side of Derby Road from where it turns eastwards to include The White House, Greythorp Court and the Memorial Hall until it once again rejoins the existing Conservation Area boundary west of All Saints Church.

A copy of the plans showing the boundaries of this area may be viewed at The Hall, Derby Road, Long Eaton, or the Town Hall, Ilkeston, Monday to Thursday (9 a.m. to 5 p.m.) and Friday (9 a.m. to 4.30 p.m.)
