Route of the Proposed A49 Prees By-pass

The Department of Transport today announced its preferred route for a by-pass of the village of Prees in Shropshire.

This follows consideration of the comments received to the public consultation which was undertaken between 4th May and 15th June 1984 and the exhibition which was held on 11th May 1984.

Considerable support for the scheme was expressed by people who attended the exhibition.

Two of those who commented favoured alternative routes for a by-pass to run either to the east or to the west of Prees and one suggested the improvement of the existing road. These alternatives however, had already been examined by the Department and rejected as being inferior to the proposed route.

Some people whilst supporting the need for a by-pass asked that it be re-routed at the southern end so as to avoid the destruction of the front garden of "The Mount", a prominent local feature.

Following further investigation it has been decided therefore that the new road should be realigned south of Church Street so that it passes behind the house known as "The Mount" to rejoin the A49 near High Bank. The remaining length will be as published.

Comments made on the need for adequate landscaping when the road is built will be taken into account when the detailed plans are drawn up.

The Department will now proceed with the detailed design work and, in due course, the preparation and publication of draft statutory orders, at which stage there will be a further opportunity for the public to comment and, if necessary, lodge objections to the proposed works. If there are objections, it may be necessary to hold a local public inquiry.

Miss M Simms, A Principal in the Department of Transport West Midlands Regional Office (Ref T2099/28/0660) (23 SI)

Preferred Route for the A41/A49 Whitchurch Western By-Pass

The Department of Transport today announced its preferred route for the Western By-Pass of Whitchurch in Shropshire. This follows consideration of comments received in response to the consultation with the public in September and October 1984. The preferred route is that shown to the public. It would run from the A41 (Heath Road) Railway Bridge to the A49 adjacent to Hinton Bank Farm. Junctions will be provided at Tilstock Road, Alkington Road, Wrexham Road (A525) and Chester Road (A41).

TRAFFIC REGULATION ACT 1984, SECTION 9

The A35 Trunk Road (Dorchester, Dorset) (Prohibition of Right Turns) (Experimental) Order 1985

Notice is hereby given that the Secretary of State for Transport has made an experimental traffic regulation Order on the Folkestone-Honiton Trunk Road (A35) at Dorchester in the county of Dorset. The Order will come into force on 22nd July 1985.

The effect of the Order will be to prevent any person from causing or permitting any vehicle (other than an emergency services vehicle) from making a right turn from that part of the trunk road known as High East Street into Church Street.

As a consequence of opening Church Street to two way traffic together with increasing commercial development in that area there is likely to be an appreciable demand for vehicles to turn right out of High East Street into Church Street. If these manoeuvres are allowed they will severely obstruct the flow of west to east traffic on the trunk road.

Alternative access to the Church Street area may be obtained from the Grove Roundabout, via Cornwall Road, Great Western Road and South Walks Road.

This experimental restriction will be kept under review pending the outcome of the Dorchester By-pass Inquiry and any consequent detrunking proposals.

Any person who desires to question the validity of, or any provision contained in the Order, on the ground that it is not within the powers with respect to the Order conferred by the above Act or on the ground that any requirement of, or of any Instrument made under, any provision of the Act have not been complied with in relation to the Order may within 6 weeks of 17th July 1985, apply to the High Court for the suspension or quashing of the Order, or of any provision contained therein.

A copy of the Order (and a plan illustrating the proposal) may be inspected at the offices of the Dorset County Council, County Hall, Dorchester DT1 1XJ (until 27th August 1985) or obtained by application to the Director (Transport) at the address below, quoting ref DSW 505241/13/04.

ST ALBANS CITY AND DISTRICT COUNCIL

The Council of the District of St Albans (Mile House Lane, St Albans) (Temporary Prohibition and Restriction of Traffic) Order 1985

Notice is hereby given that the Council of the District of St Albans, pursuant to arrangements made under section 101 of the Local Government Act 1972 with the Hertfordshire County Council, intends, not less than 7 days from the date of this notice, to make an Order under sections 1 (1) and (2), 2 (1) to (3) and 14 (1) of the Road Traffic Regulation Act 1984 to regulate traffic temporarily in Mile House Lane, St Albans.

The effects of the Order will be as follows

- (a) That part of Mile House Lane between London Road and the junction with New House Park will be closed to all vehicular traffic between 9.30 a.m. and 4.30 p.m. Monday to Friday inclusive
- (b) During the above period of closure, traffic between Mile House Lane and London Road will be diverted along New House Park and Whitecroft
- (c) Outside the above period of closure, i.e. before 9.30 a.m. and after 4.30 p.m. Monday to Friday and at all times on Saturdays and Sundays, that part of Mile House Lane between London Road and New House Park will be open to all traffic without restriction
- (d) In the remaining part of Mile House Lane, between the junction with New House Park and the Railway Bridge, while resurfacing works are in operation, traffic will be restricted to one-way working, controlled by traffic signals

The above measures are required to permit the complete reconstruction of the carriageway. It is considered necessary to close to traffic that part of Mile House Lane nearest to the traffic signals at London Road during construction works, which will take place outside peak periods, because of the narrowness of the carriageway and the dangers of traffic congestion at that junction.

The Order will come into operation on 29th July 1985 and will continue in force for a period not exceeding 12 weeks or until the said works have been completed, whichever is the earlier. It is hoped that the works will be completed within 6 weeks.

A copy of the Order, with an explanatory statement and a map showing the lengths of road affected, may be inspected during normal office hours at 16 St Peter's Street, St Albans.

Trees in Conservation Areas are also protected and any person found executing works against trees such as felling, lopping, topping, uprooting and wilful destruction or damage without prior consent from the Local Planning Authority will be guilty of an offence.
