MISCELLANEOUS PUBLIC NOTICES

The following notice is in substitution for that which appeared on page 3412 of the LONDON GAZETTE dated 13th March 1987.

OFFICE OF TELECOMMUNICATIONS

SIMPLE RESALE SERVICES AND CENTREX TYPE FACILITIES

Notice Published by the Director General of Telecommunications under section 12 of the Telecommunications Act 1984

Proposed modifications of the Licences granted to British Telecommunications plc ("British Telecom") and Mercury Communications Ltd. ("Mercury") to run telecommunication systems.

The Director General of Telecommunications ("the Director") hereby gives notice that he proposes, under section 12 of the Telecommunications Act 1984 ("the Act") to modify the Conditions in the Licences granted under section 7 of the Act to British Telecom and Mercury to run telecommunication systems

by amending the Condition in each Licence which obliges British Telecom and Mercury ("the two PTOs") to prevent the connection of their systems to other systems in such a way that Simple Resale Services can be provided.

The definition of Simple Resale Service in Condition 46 of British Telecom's Licence and in Condition 42 of Mercury's Licence is such that the provision of Centrex type facilities by either of the two PTOs would have the effect that some customers to whom those facilities were provided would be providing Simple Resale Services. The purpose of the proposed modifications is to remove this unforeseen inhibition on the provision of Centrex type facilities by the two PTOs so as to improve the quality and variety of telecommunication services which can be provided.

The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and are not withdrawn.

Any persons whose interests are likely to be affected by the modifications, and who wish to make representations or objections in respect of all or any of them, should do so in writing to Mrs. Jane Humphreys, OFTEL, Atlantic House, Holborn Viaduct, London EC1N 2HQ (stating their interests and the grounds on which they wish to make representations or objections) before 24th April 1987. Copies of the proposed modifications may be obtained from OFTEL (Telephone 01-822 1623).
