RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 26th August 1987.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 26th August 1987 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid

on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

(iii) The rates of such interest shall be:

HACKNEY LONDON BOROUGH COUNCIL

The London Borough of Hackney Road Traffic Regulations Act 1984, Section 23 As amended by Local Government Act 1985

Pelican Crossings

Notice was given in June 1985 by the Greater London Council which was then the traffic authority, about its intention to convert (a) the Zebra Crossing at Narrow Way (Mare Street)/Dalston Lane/Lower Clapton Road and (b) the signal controlled crossing on Amhurst Road (near Mare Street) into Pelican Crossings. Since 18th February 1987, "The 'Pelican' Pedestrian Crossings Regulations and General Directions 1987" have come into force. The new regulations require that each side of the pelican crossings should be marked with zig-zag markings similar to those used in Zebra Crossings. This means, overtaking will be prohibited on the approach to Pelican Crossings and stopping will be prohibited on both the approach and the exit sides of the crossings rather than just the approach side as at present.

The London Borough of Hackney, as traffic authority since the abolition of the G.L.C., has to comply with the new statutory requirements. Accordingly, the Council of the London Borough of Hackney hereby give notice that they intend to lay zig-zag markings

on each side of the proposed Pelican Crossings at (a) Narrow Way (Mare Street)/Dalston Lane/Lower Clapton Road and (b) Amhurst Road (near Mare Street).

Any representations regarding the proposed zig-zag markings should be sent to John M. Hyde, Head of Engineering and Deputy Director, Directorate of Technical and Contract Services, Town Hall Annexe, Reading Lane, Hackney, London E8 1DS, by 18th September 1987.
