The certificate becomes operative on the date on which this notice is first published, but if application is made to the High Court under Section 23 of the Acquisition of Land Act 1981 within a period of 6 weeks from that date by any person aggrieved by the certificate the Court may, by interim order, suspend the operation of the certificate either generally or in so far as it affects any property of the applicant, and may, if satisfied that the interests of the applicant have been substantially prejudiced by any requirement of the said Act or of any regulation made under section 7 thereof not having been complied with, quash the certificate either generally or in so far as it affects any property of the applicant.

BRENT LONDON BOROUGH COUNCIL

The Brent (Wembley Stadium Area) (Prescribed Routes) (No.) Traffic Order 198

The Brent (Wembley Stadium Area) (Waiting and Loading Restriction) (No.) Order 198

The Brent (Wembley Stadium Area) (Restriction of Waiting on Bus Stops) (No.) Traffic Order 198

Notice is hereby given that the Council of the London Borough of Brent propose to make the above-mentioned Orders under sections 6 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended by section 8 of and Part I of Schedule 5 to the Local Government Act 1985.

The general effect of:

(a) the "Prescribed Routes" Traffic Order 198 would be to:

(i) prohibit vehicular traffic entering the lengths of carriageway specified in Schedules 1 and 2 to this Notice on the dates and during the times specified at the beginning of each of the said Schedules;

(ii) impose one-way working for vehicular traffic in the lengths of roads specified in column 1 of Schedules 3, 4 and 5 to this Notice in the direction specified in relation thereto in column 2 of the said Schedules on the dates and during the times specified at the beginning of each of the said Schedules;

NOTE: The one-way working around the island sites situated at the junction of Wembley Park Drive and Empire Way imposed by the London Traffic (Prescribed Routes) (No. 12) Regulations 1948 and the one-way working on the south-east side of the island site situated at the junction of Forty Lane and Bridge Road imposed by the Brent (Prescribed Routes) (No. 1) Traffic Order 1980 would be suspended.

(iii) compel vehicular traffic proceeding in any road specified in column 1 of Schedules 6, 7 and 8 to this Notice to turn left into the road specified in relation thereto in column 2 of the said Schedules on the dates and during the times specified at the beginning of each of the said Schedules;

NOTE: The existing compulsory left turn from the carriageway on the south-east side of the island site situated at the junction of Bridge Road and Forty Lane imposed by the Brent (Prescribed Routes) (No. 1) Traffic Order 1980 would be suspended.

(iv) compel vehicular traffic proceeding in any road specified in column 1 of Schedule 9 to this Notice to turn right into the road specified in relation thereto in column 2 of the said Schedule on the dates and during the times specified at the beginning of the said Schedule;

(v) prohibit vehicular traffic proceeding in any road specified in column 1 of Schedules 10 and 11 to this Notice from turning left into the road specified in relation thereto in column 2 of the said Schedules on the dates and during the times specified at the beginning of each of the said Schedules;

(vi) prohibit vehicular traffic proceeding in any road specified in column 1 of Schedules 12 and 13 to this Notice from turning right into the road specified in relation thereto in column 2 of the said Schedules on the dates and during the times specified at the beginning of each of the said Schedules;

(b) the "Waiting and Loading Restriction" Order 198 would be to apply in a modified form the provisions of the Brent (Waiting and Loading Restriction) Order 1979, so that in the lengths of streets specified in Schedule 14 to this Notice, on the dates specified at the beginning of the said Schedule:

(i) waiting by vehicles (otherwise than for the purpose of delivering or collecting goods or loading or unloading a vehicle) would be prohibited at any time;

(ii) waiting by vehicles (for the purpose of delivering or collecting goods or loading or unloading a vehicle) for a period of more than 20 minutes in the same place would be prohibited between 11 a.m. and 6.30 p.m.;

(iii) the sale or offer for sale of goods from a vehicle would be prohibited unless there is in force a valid licence issued by the Brent Borough Council or the goods are immediately taken into or delivered at premises adjacent to the vehicle from which the sale is effected;

(iv) the use of any vehicle or of any animal or the wearing of fancy dress or other costume, wholly or mainly for the purpose of advertising, would be prohibited;

(v) any existing restrictions in the lengths of streets referred to in sub-paragraphs (i) and (ii) above would be suspended;

(c) the "Restriction of Waiting on Bus Stops" Order 198 would be to apply the provisions of the Brent (Restriction of Waiting on Bus Stops) (No. 1) Traffic Order 1974, the Brent (Restriction of Waiting on Bus Stops) (No. 1) Traffic Order 1977 and the Brent (Restriction of Waiting on Bus Stops) (No. 1) Traffic Order 1982 so that the restrictions on waiting by vehicles imposed by those Orders would now apply to the bus stops specified in Schedules 15, 16 and 17 respectively to this Notice at any time on the dates specified at the beginning of Schedule 15.

The prohibitions and requirements referred to in paragraph 2(a) above would not apply in respect of anything done with the permission or at the direction of a police constable in uniform or in respect of anything done in accordance with any restriction or requirement indicated by traffic signs placed on the highway by or on behalf of the Metropolitan Police.

The prohibitions referred to in paragraph 2(b)(i) and (ii) above would not apply in respect of anything done with the permission or at the direction of a police constable in uniform or in certain circumstances, e.g., the picking up or setting down of passengers; the carrying out of statutory powers or duties; the taking in of petrol, etc., from roadside petrol stations; to licensed street traders, etc. The usual exemption relating to vehicles displaying a disabled person's "Orange Badge" would apply.

A copy of each of the proposed Orders, of a map of the relevant area, of the Council's statement of reasons and of the above-mentioned Orders of 1948, 1974, 1977, 1979, 1980 and 1982 (and of the Orders which have amended those Orders) can be inspected during normal office hours on Mondays to Fridays inclusive until the expiration of a period of 21 days from the date this Notice is published at:

Huntingfield Conservation Area

Notice is hereby given that the Suffolk Coastal District Council as district planning authority have designated the following area as a Conservation Area under section 277 of the Town and Country Planning Act 1971 (as amended). Conservation Areas are areas of special architectural or historic interest within which the relevant authorities are required to pay special attention to the desirability of preserving or enhancing their character or appearance:

Huntingfield

the small hamlet of land and buildings centred upon St. Mary's Church, constituting the remnants of an early rural mediaeval enclave which is probably the original settlement in this village.

An application for consent to the demolition of such a building must be made as a separate application for conservation area consent, whether or not it is accompanied by a planning application for redevelopment. The Acts also provide that anyone wishing to cut down, top, lop or uproot any tree (with certain exceptions) within a Conservation Area must give the District Council 6 weeks' notice of his intention. A notice under these provisions must state the work proposed and must give sufficient particulars to identify the tree concerned.

Planning applications involving development which is considered to affect the character of appearance of the Conservation Area will be advertised by the local planning authority for public comment. Applications for the erection of buildings will not normally be accepted in outline form by the authority, who will seek to ensure that all alterations, redevelopment and any new development are of a high architectural standard and enhance the character of the designated area. In addition, statutory undertakers are asked to pay special attention to the character and appearance of the area in the provision and maintenance of their respective service.
