TOWN AND COUNTRY  
PLANNING ACTS

## CHERWELL DISTRICT COUNCIL

## TOWN AND COUNTRY PLANNING ACT 1971

*Town and Country Planning (Listed Buildings and Buildings in Conservation Areas) Regulations 1977*

Notice is hereby given that the Cherwell District Council has pursuant to section 277 of the Town and Country Planning Act 1971 designated the areas described in the Schedule below as the Barford St. John, Bodicote, Chesterton, Deddington, Fritwell, Hethe, Hook Norton, Hornton, Kirtlington, Lower Heyford, Milton, Mixbury, North Aston, Souldern, Steeple Aston, Stratton Audley, Swalcliffe, Wardington and Wigginton Conservation Areas. Plans of the said areas may be inspected at

the Cherwell District Council offices, Bodicote House, Bodicote, Banbury, Oxon, during normal office hours.

The effects of the said designation are:

- (a) All planning applications for development which would affect the character of a conservation area must be advertised and site notices must be posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- (b) Cherwell District Council, as the local planning authority, will exercise particular care to ensure that change, when it occurs, does not detract from the character of the Area.
- (c) No building in a conservation area may be demolished or partially demolished without conservation area consent having first been obtained from the local planning authority. (For alteration, demolition or extension of listed buildings in a conservation area, listed-building consent must be applied for, and this takes precedence over conservation-area consent). Exceptions to this rule are those laid down in paragraph 97 of Department of the Environment Circular 8/87. These exceptions mainly affect small buildings within the curtilage of a dwellinghouse; gates, walls, fences or other enclosures below a certain height; temporary buildings; certain agricultural and industrial buildings; and buildings required to be demolished under the provisions of the Town and Country Planning Act 1971, the Housing Act 1985 or the Pastoral Measure 1983.
- (d) It is an offence to cut down, top, lop, uproot or wilfully damage or destroy any tree (not already the subject of a tree preservation order) in a conservation area without giving 6 weeks' notice to the District Council. This provision does not relate to trees covered by a felling licence, to dead trees, to trees which do not exceed 77 millimetres (3 inches approximately) in diameter, or to certain other trees, details of which can be obtained from the address above.
- (e) Cherwell District Council as the local planning authority will require planning applications in any Conservation Area to be accompanied by sufficient details to enable the impact of the proposed development on the character of the Conservation Area to be assessed. This may include details of scale, massing, design and materials of buildings and their relationship to existing buildings.

A. M. Brace, Chief Executive Secretary
