Statutes in Force is the official revised edition of the statutes and sets out the text of the current statute law.

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 104 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in 125 subject groups, which can be purchased separately. Subjects include:

Charities	Insolvency, Bankruptcy and Winding Up
Companies	Landlord and Tenant
Contract	Legal Aid
Employment	Partnerships and Business Names
Family Law	Sale of Goods
Friendly and Other Societies	Stamp Duty
Income, Corporation and Capital Gains Taxes	Tort and Delict

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation — for the whole set, for subject groups, or for individual Acts.
