TOWN AND COUNTRY PLANNING ACT 1971
AYLESBURY CONSERVATION AREA*Notice of Variation of Designation*

Notice is hereby given that the Aylesbury Vale District Council, in pursuance of its powers under section 277 of the Town and Country Planning Act 1971, has varied the boundary of the Conservation Area at Aylesbury by including certain areas which are felt to be worthy of designation, and by excluding other areas, the inclusion of which, because they do not possess the appropriate degree of townscape quality is not justified.

These areas are described in the Schedule hereto.

The boundary of the Conservation Area, as varied, is shown on a map, a copy of which may be inspected during normal office hours at the offices of the Director of Technical Services and Planning, Fowler Road, Aylesbury, Bucks.

The effect of designation is briefly as follows:

- (1) With the exception of certain categories of buildings (namely those already listed, certain ecclesiastical buildings, protected monuments and buildings in respect of which the Secretary of State for the Environment has made a direction (see Circular No. 8/87)) anyone wishing to demolish a building, or part thereof, must first apply for listed building consent to the Council. Such an application may be made separately or as part of an application for planning permission for redevelopment of the site.
- (2) Except in the cases of trees either already subject to tree preservation orders or covered by regulations made by the Secretary of State for the Environment (see Statutory Instrument 1875, No. 148 Regulation No. 3) anyone wishing to cut down, top, lop, or uproot any tree in a conservation area must give six weeks notice to the Council of his intention. If the work is not completed within 2 years a further notice is needed. If the work is begun without due notice or without the Council's specific consent within the six weeks period the person concerned becomes liable to a penalty and the tree owner becomes liable to replant. The purpose of this provision is to give the Council a final opportunity to make a tree preservation

To the north-east the bottom of Crawley forms the boundary, encompassing the surroundings of Uley Lodge, St. Giles Church and extending to cover the properties the opposite side of The Green. The southern boundary of the designation is formed by the River Ewelme. The western confines are defined by the start of the Uley Road, additional including the grounds of Stouts Hill School and the environs of the old United Church site.
