## WATER RESOURCES ACT

### NORTH WEST WATER AUTHORITY

#### *Notice of application for a licence to abstract water.*

Notice is hereby given, that an application is being made by the North West Water Authority for a licence to abstract the following quantities of water from Thirlmere Reservoir Compensation Water Pipeline at the following points of abstraction: 5,475,000 gallons per year, 15,000 gallons per day, 1,500 gallons per hour, at N.G.R. NY 309 190 at the North End of Thirlmere Reservoir.

The water is to be used for Public Water Supply.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at The Sawmill, North West Water Forestry Office, Thirlmere, at all reasonable hours during the period beginning on 12th August 1988, and ending on 12th September 1988.

Any person who wishes to make representations about the application should do so in writing to Control and Regulation, North West Water Authority, P.O. Box 30, New Town House, Buttermarket Street, Warrington WA2 2QG, before the end of the above period.

After the expiration of this period the Authority will be entitled to pass a resolution by virtue of which the licence will be granted unless the Secretary of State for the Environment, in consequence of any representation made with respect to the proposals or otherwise, requires an application to be made to him.

Department of Planning,

New Town House, Warrington.

### NORTH WEST WATER AUTHORITY

#### *Notice of application to vary licence number 26/73/6.02/3.*

Notice is hereby given, that the North West Water Authority has, under the provisions of section 43 of the above Act, formulated proposals for varying licence serial No. 26/73/6.02/3, which authorises the abstraction of water from Dubbs Reservoir, Windermere, for the purpose of water supply.

The proposed variation is to increase the authorised abstraction quantities as follows:

From not exceeding 50,000 gallons per hour to not exceeding 67,000 gallons per hour;

From not exceeding 600,000 gallons per day to not exceeding 800,000 gallons per day;

From not exceeding 170,000,000 gallons per year to not exceeding 220,000,000 gallons per year;

A copy of the proposals may be inspected free of charge at Bowness Bay Information Centre, The Glebe, Bowness Bay LA23 3HJ, during normal office hours, during the period beginning on 12th August 1988, and ending on 12th September 1988.

Anyone wishing to make representations about the proposals should write to Control and Regulation, North West Water Authority, P.O. Box 12, New Town House, Buttermarket Street, Warrington WA2 2QG, before the end of the above period.

After the expiration of this period the Authority will be entitled to pass a resolution by virtue of which the licence is varied unless the Secretary of State for the Environment, in consequence of any representation made with respect to the proposals or otherwise, requires an application for a variation of this licence to be made to him.

Department of Planning,

North West Water, New Town House,  
Buttermarket Street, Warrington.
