TOWN AND COUNTRY PLANNING ACT 1971 (AS AMENDED)

Notice is hereby given that, under section 277 of the Town and Country Planning Act 1971 (as amended), Christchurch Borough Council resolved on Thursday, 13th October 1988, to designate from that date the area described below as a Conservation Area, in view of the special character which it is considered desirable to preserve or enhance. The area will be known as Verno Lane Conservation Area.

The area so designated is contained by the following boundaries:

- (i) to the north, from the eastern boundary of Verno Lane (also known as Hoburne Lane North) in a south-westerly direction along the boundaries of properties abutting that section of Lyndhurst Road (A35) known as Roeshot Hill, south side, for 245 metres;
- (ii) to the east and south, along the eastern boundary of Verno Lane/Hoburne Lane in a southerly direction for 220 metres; a south easterly direction for 97 metres; a south-westerly direction along the rear boundaries of dwellings on the north side of Nada Road and Manning Avenue to the junction with Hoburne Lane;
- (iii) to the west, from Lyndhurst Road in the north, in a southerly direction along the western side of the existing track for 73 metres; in a westerly direction for 11 metres, a southerly direction for 9 metres and easterly direction for 19 metres; a south-easterly direction for 92 metres; a westerly direction for 22 metres and a southerly direction for 140 metres to the eastern side of Hoburne Lane.

Included within the site and thereby protected by the provisions made under the Act for Conservation areas, are the curtilages of The Thatch, a Grade II Listed Building, The Lodge, Verno House, Verno Farm House, Apple Cottage and Hoburne House, together with all buildings, outhouses and structures relating to these.

The effect of designation is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area designated. In particular, controls are applied regarding the demolition of buildings (owners are required to apply to the Council for listed building consent before carrying out works of demolition to any building or part of a building within the areas); control is also imposed in respect of the display of advertisements and the felling, topping and lopping, etc., of trees within the areas. Penalties apply in the event of violations against this control.

A copy of this notice together with a map showing the area covered by the designation will be available for inspection during normal office hours from 8.45 a.m. to 5.15 p.m. in the Planning Department at the Civic Offices, Bridge Street, Christchurch.
