

DEPARTMENT OF TRANSPORT

*A40 Trunk Road (Highnam Gloucestershire)
(Prohibition of U-Turns)
(Experimental) Order 1988*

Notice is hereby given that the Secretary of State for Transport has made an experimental traffic regulation Order under section 9(1) and (2) of the Road Traffic Regulation Act 1984, on part of the A40 trunk road known as Highnam Road in the Borough of Tewkesbury in the County of Gloucestershire. The Order will come into force on 21st November 1988. It is anticipated that the Order will remain in force for 18 months, the maximum period authorised by section 9(3) of the Act.

The effect of the Order will be to prevent any person from causing or permitting any vehicle (other than an emergency services vehicle) from making a U-turn from the westbound carriageway of the trunk road between its junction with the western side of Newent Road (B415) and its junction with the eastern side of Highnam Roundabout so as to proceed in the opposite direction in the eastbound carriageway.

The Order is required to resolve a traffic problem which arises each weekday evening because of the large proportion of westbound traffic leaving Gloucester wishing to turn right onto the B4215. This causes long queues to develop on the off side lane of the A40 westbound carriageway. As a result of the delays which occur, many drivers are avoiding the queue of traffic by carrying out a U-turn at one of the two central reserve gaps situated just past the junction. Such U-turn manoeuvres are hazardous and concern has been expressed by both the police and the general public.

Any person who desires to question the validity of, or any provision contained in, the Order, on the ground that it is not within the powers with respect to the Order conferred by the above Act, or on the ground that any requirement of, or of any instrument made under any provision of that Act has not been complied with in relation to the Order, may within 6 weeks of 14th November 1988, apply to the High Court for the suspension or quashing of the Order or of any provision contained therein.

A copy of the Order (and a plan illustrating the proposal) may be inspected at the offices of Gloucestershire County Council, Shire Hall, Bearland, Gloucester (until 26th December 1988) or obtained by application to the Director (Transport) at the address below quoting reference DSW 505641/7/TR10/012.
