#### EASTBOURNE BOROUGH COUNCIL

*The Borough of Eastbourne (Stansted Road/Waterworks Road) (Traffic Regulation) Order 1989*

Notice is hereby given that, in connection with the installation of traffic signal lights at the junction of Waterworks Road with Whitley Road at Eastbourne, Eastbourne Borough Council (acting as agents for East Sussex County Council) proposes to make an Order under sections 1(1) and (2), 2(1) to (3) and 4(2) of the Road Traffic Regulation Act 1984 which will:

- (a) prohibit vehicles from entering Stansted Road at its junction with Waterworks Road; and
- (b) prohibit vehicles from waiting at any time along part of the north-east side of Waterworks Road near its junction with Whitley Road, where waiting is at present permitted.

The closure of Stansted Road at (a) above is considered necessary to prevent vehicles from using Stansted Road as a 'short cut' to avoid the traffic lights in Whitley Road. The waiting restriction at (b) above is needed to ensure that the new traffic signal lights operate efficiently, by preventing congestion by parked vehicles near the junction concerned.

Exceptions for disabled persons' vehicles and emergency services vehicles will be included in the Order in respect of the waiting restriction in Waterworks Road, and also to allow picking up and setting down passengers, loading and unloading goods, roadworks and the maintenance of essential services.

A copy of the draft Order, together with a statement of the Council's reasons for proposing to make the Order and a plan showing the roads affected may be inspected at the Town Hall, Grove Road, Eastbourne, during normal office hours until 17th February 1989.

#### EASTBOURNE BOROUGH COUNCIL

*The Borough of Eastbourne (Various Roads) (Traffic Regulations) Order 1989*

Notice is hereby given that, Eastbourne Borough Council (acting as agents for East Sussex County Council) proposes to make an Order under sections 1(1) and (2) and 2(1) to (3) of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984 which will:

- (a) reverse the existing one-way traffic flows along Hyde Road between Grove Road and Gildredge Road, and along Ivy Terrace between Gildredge Road and Grove Road;
- (b) impose a one-way traffic flow along Station Street between Gildredge Road and Mark Lane; and
- (c) impose compulsory left-hand turns from West Terrace into Gildredge Road, thereby preventing vehicles from crossing Gildredge Road when leaving West Terrace.

It is intended that the above measures will prevent hazards and disruption to traffic flows being caused by excessive numbers of vehicles crossing Gildredge Road, from Ivy Terrace to Station Street and from West Terrace to Mark Lane. The reversed traffic flow in Hyde Road will compensate for the reversed flow in Ivy Terrace and provide a route for vehicles wishing to travel eastwards.

An exception is included in the Order to allow fire service vehicles to travel against the one-way flow in Station Street when answering emergency calls.

A copy of the draft Order, together with a statement of the Council's reasons for proposing to make the Order and a plan showing the roads affected may be inspected at the Town Hall, Grove Road, Eastbourne, during normal office hours until 24th February 1989.

## TOWN AND COUNTRY PLANNING ACTS

### BRIGHTON BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971 (SECTION 277) AS AMENDED BY THE LOCAL GOVERNMENT ACT 1972, SCHEDULE 17, AND THE TOWN AND COUNTRY AMENITIES ACT 1974 (SECTION 1)

#### *Notice of Designation of a Conservation Area*

Notice is hereby given that at a Meeting held on 28th June 1988 Brighton Borough Council resolved to extend the area designated as the Valley Gardens Conservation Area (hereinafter referred to as "the Valley Gardens Conservation Area Extension") in accordance with section 277 of the Town and Country Planning Act 1971, as amended.

The boundary of the Valley Gardens Conservation Area Extension runs through the middle of Southover Street from the eastern side boundary of No. 4 Southover Street to the western boundary of No. 14 Southover Street. From this point it runs north-westwards along the rear boundaries of Nos. 57 to 18 Hanover Terrace, then along the northern side boundary No. 18 Hanover Terrace, along the back edge of the pavement in front of the Technical College, then it returns eastwards along the southern boundary of No. 5 Hanover Terrace and then along the rear boundaries of Nos. 5 to 3 Hanover Terrace and the eastern side boundary of No. 131 Islingword Road, the London Unity Public House. From this point the boundary runs along the centre of Islingword Road to the north corner of No. 46 Islingword Road to join the existing boundary of the Valley Gardens Conservation Area.

Within this area additional powers of control are applied under the Town and Country Planning Acts. In particular, it is an offence to demolish any building (generally this means any structure or part of that structure) in a Conservation Area except with the consent of the local planning authority. It is also an offence to cut down, uproot, wilfully destroy or damage trees without giving due notice to the local planning authority.

Full details of the additional powers of control may be obtained during normal office hours from the Borough Planning Officer, Bartholomew House, Bartholomew Square, Brighton, where a plan showing the boundaries of the designated area will be available for inspection.

A copy of this notice and of a plan of the area may also be inspected at the Town Hall, Brighton.

The area is shown on Drawing No. BRO 163A which is on deposit at the Bromley Civic Centre, Rochester Avenue, Bromley, and may be seen between the hours of 9 a.m. and 5 p.m. on Mondays and Fridays.

Prior notice of intention to commence any of the above-mentioned acts must be served on the Council, giving 6 weeks notice, including information as to the address of the land, sufficient details to identify the tree and the work intended and particulars of the person serving the notice. TOWN AND COUNTRY PLANNING ACT 1971

#### *Extension to Truro Conservation Area*

Notice is hereby given in pursuance of section 277 of the Town and Country Planning Act 1971 (as amended) that the Carrick District Council have determined that the area generally described in the Schedule to this notice, and more particularly described in the map hereinafter referred to in this notice is an area of special architectural or historic interest the character or appearance of which is desirable to preserve or enhance, and have accordingly designated the said area as a Conservation Area.

The effect of the designation of the Conservation Area is that where any application for planning permission for development of land in or adjacent to the conservation is made to the Council either the development would in the opinion of the Council, affect the character or appearance of the Conservation Area, or the development is of a kind specified by the Secretary of State, the application will be subject to the special procedure in section 28 of the Town and Country Planning Act 1971.

### KENNET DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

#### *Conservation Areas at Great Cheverell, Market Lavington and West Lavington/Littleton Pannell*

Notice is hereby given that Kennet District Council, as Local Planning Authority, in pursuance of powers conferred on them by section 277 of the Town and Country Planning Act 1971 have designated a Conservation Area at Great Cheverell and amended the boundaries of the existing areas at Market Lavington and West Lavington/Littleton Pannell.

Plans showing the boundaries of the Conservation Areas are available for inspection during normal office hours at the Planning and Environmental Services Department, Browfort, Bath Road, Devizes SN10 2AT.

Please note that it is necessary to obtain Conservation Area Consent from the Council to demolish any building, or part of a building, with certain exceptions, which is situated within any Conservation Area. It is an offence to carry out demolition without the necessary Consent having first been obtained.

It should be further noted that any person wishing to cut down, top, lop, or uproot any tree in a Conservation Area must give the Council 6 weeks notice of his intention to do so.

Furthermore, whereas certain minor developments may be carried out without planning permission, in a Conservation Area the extent of development allowed by the Town and Country Planning General Development Order is less than generally available. Any person wishing to carry out any development in a Conservation Area is therefore strongly urged to contact the Council to ascertain if permission is required.
