## WATER RESOURCES ACT

### SOUTH WEST WATER AUTHORITY

#### *Notice of Application for a Licence to Abstract Water*

Notice is hereby given that application is being made to South West Water by Mr R. A. Noyce, Watering Nursery, Pentewan, St. Austell, Cornwall PL26 6BE, for a licence to abstract from borehole the following quantities of water: 900,000 gallons per year at SX 022488. Further details of the application are for horticulture use.

A copy of the application and any map, plan or other document submitted with it may be inspected free of charge at the above address at all reasonable hours during the period of one month following the publication of this notice.

Any person who wishes to make representations about the application should do so in writing to the Water Abstraction Officer, South West Water Rivers Unit, Manley House, Kestrel Way, Sowton, Exeter EX2 7LQ.

R. A. Noyce  
(731)

26th June 1989.

### SOUTH WEST WATER AUTHORITY

#### DROUGHT ACT 1976

##### *Water Shortage*

*Notice for Application for an Emergency Order Relating to Abstraction from the River Tamar at Newbridge and Discharge into the River Lumburn.*

Notice is hereby given that whereas in view of an exceptional shortage of rain, a serious deficiency of supplies of water is threatened in the area of the South West Water Authority which is served from the Lopwell intake in the Parishes of Bere Ferrers and Buckland Monachorum and from the Burrator Reservoir in the Parishes of Meavy Sheepstor and Walkhampton in the borough of West Devon in the county of Devon.

Notice is hereby given that in order to maintain an adequate supply of water the Authority is applying to the Secretary of State for the Environment for an Order pursuant to section 1(3)(a) and (c) of the Drought Act 1976, to enable it for a period not exceeding 6 months:

- (1) To commission the temporary intake on the River Tamar at Newbridge at NGR SX 434724 and to abstract by means thereof not more than a quantity of water not exceeding 13.6 megalitres (approximately 3 million gallons) per day.
- (2) To commission a line of pipes from the intake on the River Tamar to the River Lumburn.
- (3) To discharge from the River Tamar into the River Lumburn and thereby the River Tavy at National Grid Reference SX451731 water at the rate not exceeding 13.6 megalitres (approximately 3 million gallons) per day.

The abstraction from the River Tamar will be subject to the condition that no abstraction may be made when the flow in the River is below 22.73 megalitres (approximately 5 million gallons) per day.

A copy of the statement and a plan illustrating the Authority's proposals may be inspected by any person, free of charge, during all reasonable office hours at the office of the undersigned and at the offices of South West Water Authority, Sixth Floor, Civic Centre, Plymouth, for a period of 7 days from the date of the publication of this notice.

Objections to the application may be made to the Secretary of State for the Environment, Room B449, Romney House, 43 Marsham Street, London SW1 3PY (with a copy to the undersigned please quoting ref. 442/26), within 7 days of the publication of this notice.

Where it appears to the Secretary of State that the Order is required to be made urgently if it is to enable the Authority effectively to meet the deficiency of supplies of water referred to above, he may direct that the holding of a Public Local Inquiry or a hearing by a person appointed by him shall be dispensed with.

R. C. Milligan, Secretary to the Authority

Peninsula House, Rydon Lane,  
Exeter EX2 7HR.

4th July 1989.

### SOUTH WEST WATER AUTHORITY

#### DROUGHT ACT 1976

##### *Water Shortage*

*Notice for Application for an Emergency Order Relating to Abstraction from the River Tavy*

Notice is hereby given that in view of an exceptional shortage of rain, a serious deficiency of supplies of water is threatened in the area of the South West Water Authority which is served from the Lopwell intake in the Parishes of Bere Ferrers and Buckland Monachorum and from the Burrator Reservoir in the Parishes of Meavy Sheepstor and Walkhampton in the Borough of West Devon in the county of Devon.

Notice is hereby given that in order to maintain an adequate supply of water the Authority is applying to the Secretary of State for the Environment for an Order pursuant to section 1(3)(e) of the Drought Act 1976, to enable it for a period not exceeding 6 months to modify the condition relating to the abstraction of water from the River Tavy at National Grid Reference SX 475650 as contained in Licence to Abstract Water number 15/47/41/S/38 to provide that the residual flow in the River Torridge immediately downstream of the Lopwell intake shall be reduced from 40.9 megalitres per day (approximately 9 million gallons) to 13.6 megalitres per day (approximately 3 million gallons). The Order if made would not provide for an increase in the permitted abstraction.

A copy of the statement and a plan illustrating the Authority's proposals may be inspected by any person, free of charge, during all reasonable office hours at the office of the undersigned and at the Authority's Office, Sixth Floor, Civic Centre, Plymouth, for a period of seven days from the date of the publication of this notice.

Objections to the application may be made to the Secretary of State for the Environment, Room B449, Romney House, 43 Marsham Street, London SW1 3PY (with a copy to the undersigned please quoting ref. 442/11/FGC), within 7 days of the publication of this notice.

Where it appears to the Secretary of State that the Order is required to be made urgently if it is to enable the Authority effectively to meet the deficiency of supplies of water referred to above, he may direct that the holding of a Public Local Inquiry or a hearing by a person appointed by him shall be dispensed with.

R. C. Milligan, Secretary to the Authority

Peninsula House, Rydon Lane,  
Exeter EX2 7HR.

### WELSH WATER AUTHORITY

Notice is hereby given that an application is being made to the South Western Division of the Welsh Water Authority by D. L. Watts of Landsker Letterston Dyfed, for a licence to impede or obstruct the flow of springs and ditches by means of a clay embankment around an excavation at Grid Ref. SM943 288 at Landsker Letterston, for use as an Amenity Pond. The capacity of the impoundment will not exceed 1,000,000 gallons.

A copy of all relevant documents may be inspected free of charge at Landsker at all reasonable hours between 5th July 1989 and 2nd August 1989 both dates inclusive.

Any person who wishes to make representations about the application should do so in writing to the Divisional Manager South Western Division, of the Welsh Water Authority, at Hawthorne Rise, Haverfordwest, Dyfed, before the end of the said period.

D. L. Watts

29th June 1989.
