WATER RESOURCES ACT

ANGLIAN WATER AUTHORITY

Notice of Proposals for Licences to Abstract Water

Notice is hereby given that the Anglian Water authority in pursuance of sections 43 and 52 of the Act have formulated the following proposals.

(1) Variation of Licence No. 5/31/10/S/53

The Licence, granted under the Welland and Nene (Empingham Reservoir) and Mid Northamptonshire Water Act 1970, authorises water to be abstracted from the River Gwash at Rutland Water Reservoir in the Parish of Empingham, in the District of Rutland, Leicestershire, for the purposes of public water supply and river regulation.

The proposed variation is to increase the quantities authorised to be abstracted from 205,000 cubic metres to 492,000 cubic metres per day, and from 60,000,000 cubic metres to 120,000,000 cubic metres per year. The variation is sought to equate the licensed abstraction with the ascribed yield of the reservoir.

On the granting of the variation the Authority would revoke Licence No. 5/31/10/54, which authorises abstraction of 40,000 cubic metres per day and 10,000,000 cubic metres per year from the same source and for the same purposes; the quantities being then incorporated in the varied licence.

(2) Draft Licence 5/31/10/S/64

To abstract 60,000 cubic metres per day and 4,000,000 cubic metres per year from the River Gwash at N.G.R. TF 041.107 in the Parish of Ryhall in the District of Rutland, Leicestershire. A total of not more than 12,000,000 cubic metres shall be abstracted in any five year period. The water abstracted is to be transferred to augment the

River Glen during periods of low flow, and the abstraction will be subject to compensatory discharge from Rutland Water Reservoir to safeguard flows in the River Gwash.

Copies of both proposals and of any maps, plans or other documents prepared in connection with them may be inspected free of charge at the offices of Anglian Water, at Aqua House, London Road, Peterborough PE2 8AG, and at North Street, Oundle, at all reasonable hours during the period beginning on 4th August 1989, and ending on 31st August 1989.

Any person who wishes to make representations about the proposals should do so in writing to the Regional Manager Environmental Regulation and Fisheries at the above address before the end of the said period. Copies of all such representations received will be forwarded by the Authority to the Secretary of State for the Environment.

After expiry of the said period the Authority will be entitled to pass a resolution by virtue of which the proposals for varying Licence 5/31/10/S/53 and for draft Licence 5/31/10/S/64 shall be deemed to be granted unless the Secretary of State for the Environment, either in consequence of any representations made with respect to the proposals or otherwise, requires applications for the variation and for the licence to be made to him.

A. Tetlow, Regional Manager Environmental Regulation and Fisheries.

TOWN AND COUNTRY PLANNING ACT 1971 (AS AMENDED BY THE TOWN AND COUNTRY AMENITIES ACT 1974)

Variation of Steyning Conservation Area

Notice is hereby given that, in pursuance of section 277 of the Town and Country Planning Act 1971, substituted by section 1 of the Town and Country Amenities Act 1974, that the Horsham District Council has determined that the area described in the Schedule to this notice is an area of special architectural or historical interest the character or appearance of which it is desirable to preserve or enhance and have accordingly varied by way of extension the Steyning Conservation Area to include within the designation the area described in the Schedule as a Conservation Area.

The effect of the designation of the Conservation Area may be summarised as follows:

- (a) Where any application for planning permission for development of land in or adjacent to the Conservation Area is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the Conservation Area, the application will be subject to the special procedure in section 28 of the Town and Country Planning Act 1971, as amended.
- (b) Anyone wishing to demolish a building or a part of a building situate within the Conservation Area must first apply for consent to demolish to the local planning authority. This is not taken to be included in a planning permission for redevelopment of the site. Some buildings may be exempt from this requirement.
- (c) Anyone wishing to cut down, top, lop or uproot a tree situate within the Conservation Area must give 6 weeks prior notice of his/her intention to the Local Planning Authority.

A map of the Conservation Area may be inspected free of charge between the hours of 8.45 a.m. and 5.20 p.m. Mondays to Thursdays and 8.45 a.m. and 4.20 p.m. on Fridays at the Directorate of Planning and Law, Park North, North Street, Horsham.

The complete edition consists of 104 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in 125 subject groups, which can be purchased separately. Subjects include:

Charities	Insolvency, Bankruptcy and Winding Up
Companies	Landlord and Tenant
Contract	Legal Aid
Employment	Partnerships and Business Names
Family Law	Sale of Goods
