## HIGHWAYS ACT 1980

### M65 BLACKBURN SOUTHERN BYPASS

#### *Modifications to Published Proposals*

In May 1980 the Department published draft Statutory proposals under the Highways Act 1980 for the Blackburn Southern Bypass.

Since publication of the proposals the Department has announced the inclusion of the proposed Preston Southern and Western Bypass in the trunk road programme. As a result it is proposed to modify the western end of the published proposals for the Blackburn Southern Bypass so as to allow a direct connection with the proposed Preston Southern and Western Bypass with the minimum of abortive work.

A second modification is proposed to the eastern end of the Blackburn Southern Bypass in the vicinity of Redcap near Knuzden Brook. This will provide for the new road to be moved further away from existing property.

A third modification involves a change to the length of the southbound slip road from the M65 to the M61 and arises from the recent announcement of new national road traffic forecasts. It is proposed to increase the length of this slip road by some 270 metres.

A draft scheme affected by the proposed changes is: The M65 Motorway (Bamber Bridge to Whitebirk Section, Blackburn Southern Bypass) and Connecting Roads Scheme 199.

A copy of the plans showing the proposed modifications together with a statement explaining the proposed changes have been placed on deposit at: The Department of Transport, North West Regional Office, Sunley Tower, Piccadilly Plaza, Manchester M1 4BE; Lancashire County Council, County Hall, Preston; Blackburn Borough Council, Town Hall, Blackburn; Wyndburn Borough Council, Municipal Offices, 9 St James Street, Accrington; South Ribble Borough Council, Civic Centre, West Paddock, Leyland; The Shadsworth Community Centre (Library), Shadsworth Road, Blackburn; Bamber Bridge Library, Station Road, Bamber Bridge.

Amended Scheme plans, showing the effect of the proposed changes, will be prepared in time for the public inquiry into the Blackburn Southern Bypass, which will be held early next year.

A six week period is now being allowed for comment or objection to the proposed changes. These should be submitted in writing to the Department of Transport, North West Regional Office, Sunley Tower, Piccadilly Plaza, Manchester M1 4BE before 8th December 1989. Any comments received will be put before the Inspector taking the Inquiry so that he may be aware of the views expressed when making his recommendations to the Secretaries of State for the Environment and for Transport.

Further information may be obtained from the Department on telephoning 061-832 9111 Ext: 3642/3643.
