##### *The A6 Trunk Road (Market Harborough Bypass Side Roads) (Supplementary) Order 19*

##### *The A6 Trunk Road (Market Harborough Bypass (Supplementary) Compulsory Purchase Order (EM No. ) 19*

The Secretary of State for Transport hereby gives notice that he does not intend to proceed further with the above-mentioned draft Orders and accordingly, that they are withdrawn.

As a consequence of the planned A6 Market Harborough bypass, the draft Supplementary Side Roads Order, if made, would have authorised the stopping-up of Langton Road thus ending its use as a through route between the village of Thorpe Langton and Great Bowden. The Secretary of State carefully considered the objections to the draft Orders and accepts that the closure of Langton Road would cause undue severance to the local communities. In order to overcome this problem the Secretary of State intends to publish replacement draft Orders which, if made, will authorise the construction of a bridge to carry the bypass over Langton Road without connection, thereby maintaining the local road network.

Notice is hereby given that, with reference to public notice number 741 which appeared in Issue Number 51973 of the *London Gazette* on 21st December 1989, Eastbourne Borough Council (acting as agents for East Sussex County Council) has made an Order under sections 1(1) and (2) and 2(1) to (3) of the Road Traffic Regulation Act 1984 which prohibits vehicles from making U-turns from the

north-east bound carriageway of the Pevensey Bay Road to the south-west bound carriageway, through the gap in the central reservation opposite the access to F. Avann's depot.

**NORTHAMPTONSHIRE COUNTY COUNCIL**

*The Northamptonshire County Council (Dayton Street, Rushden) (Prohibition of Waiting) Order, 199*

Notice is hereby given that the Northamptonshire County Council propose to make the above-named Order under sections 1(1) and (2), 2(1) to (3) and 4(2) and Schedule 9 to the Road Traffic Regulation Act 1984. The general effect of the Order will be to introduce a "no waiting at any time" restriction on the north-west side of Dayton Street from a point 20 yards north-east of its junction with Wellingborough Road to its junction with Moor Road. The road is quite narrow and parking on one side only is possible. The introduction of the restriction will prevent vehicles from parking on

the pavement on the north-west side causing danger to pedestrians and damage to the footpath. This will be additional to the existing restriction at its junction with Wellingborough Road.

A copy of the proposed Order together with a plan showing the lengths of road to which it relates and a statement of the Council's reasons for proposing to make the Order may be inspected at Rushden Library, Newton Road, Rushden during normal opening hours, or at the offices of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. and 4 p.m. on Mondays to Fridays inclusive.

*Northamptonshire County Council, Avenue Road and Newton Road, Rushden Proposed 40 m.p.h. Speed Limit*

There is housing development on both sides of each road and because of the layout of the roads the speed of vehicles tends to be high. The restriction will reduce speeds and will improve safety both for pedestrians crossing the roads and for drivers entering or leaving the numerous private accesses fronting the roads.

A copy of the proposed Order together with a plan showing the lengths of road to which it relates and a statement of the Council's reasons for proposing to make the Order may be inspected at Rushden Library, Newton Road, Rushden during normal opening hours, or at the offices of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. and 4 p.m. on Mondays to Fridays inclusive.

Objections to the proposed Order, stating the grounds upon which they are made, should be sent in writing to the undersigned by not later than 5th March 1990.
