My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 7th February 1990 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

The A12 Trunk Road (Leyton Way, Waltham Forest) (Prescribed Routes) Order 199

The Secretary of State for Transport hereby gives notice that he proposes to make an Order under section 6 of the above Act on the A12 trunk road in the London Borough of Waltham Forest to regulate traffic, following an improvement of the junction of Leyton Way (A12) and Whipps Cross Road (A114) at Leytonstone E11.

The effect of this Order will be superseded by the new traffic regulation scheme at the junction of Leyton Way and Whipps Cross Road.

Notice is hereby given that the Cotswold District Council has designated areas in the above mentioned places, in the county of Gloucestershire, as Conservation Areas, pursuant to section 277 of the Town and Country Planning Act 1971.

Maps of the designated areas have been deposited at the offices of the Cotswold District Council at Trinity Road, Cirencester and Oxford Street, Moreton-in-Marsh, and may be inspected during normal office hours. The areas comprise:

(1) *Batsford.*

The whole of Batsford Park, including the village and arboretum.

(2) *North Cerney.*

This designation is bisected by the A435 Cheltenham Road.

The western part comprises The Old Rectory, All Saints Church and the field, which forms an important setting to the east of the church.

The eastern part is centred around Manor Farm and extends eastwards as far as The Gables. The houses at Bankside and Oxyard Bungalows, are excluded from the designation.

(3) *Preston.*

Virtually all of Preston Conservation Area lies to the north of the main street, between Church Farm and The Old Farm House. A short section of frontage on the south side of the street is also designated, between Mildreds Farm and Village Farm Cottage.

(4) *Rendcomb.*

Most of Rendcomb village is included in the designation, the main exceptions being modern development at, and in the vicinity of Glebe View. Virtually all the woodland known as The Wilderness is excluded, apart from a narrow strip of mature trees along the southern fringe. The estate houses form the easternmost part of the Conservation Area.

Virtually all of Rendcomb College is included, together with a large expanse of sloping, open land to the west which forms an important setting for the main College building. The westernmost part of the village, which extends up to the A435 Cheltenham to Cirencester Road, is also included.

(5) *Sezincote.*

This extensive Conservation Area includes the buildings and landscaped gardens associated with Sezincote House, together with the traditional farm buildings at Home Farm.

(6) *Shipton.*

This designation comprises two parts: Shipton Oliffe and Shipton Solers.

Shipton Oliffe is the larger area and extends from the Methodist Church eastwards to include College Farm and South Farm. A substantial amount of modern development is excluded, mostly to the north of the main street. Other exclusions are Glebe Farm, The Hive, Perrott's Coaches site and properties between Gregory Cottage and Hightrees. The grounds of Shipton Oliffe Manor and the group of buildings around Ford Cottage are included in the designation.

The designated area of Shipton Solers extends from The Old Rectory to St. Mary's Church.

(7) *Stratton.*

Stratton Conservation Area only covers the north-western extreme of the settlement. It includes Grange Farm, St. Peter's Church, the Cemetery and open, sloping land to the south of the church.

The purpose of designation is to enhance the character or appearance of these areas of special architectural and historic interest, and to ensure that special regard is paid to the architectural and visual qualities of the designated areas when proposals are under consideration. Subject to certain exceptions, 6 weeks prior notice has to be given to the Local Planning Authority in respect of a proposal to cut down, lop, top, uproot and cause any wilful damage to any tree on the Conservation Area. Listed Building Consent is required for the demolition of buildings or walls, whether Listed or not, within the designated area.
