#### NATIONAL RIVERS AUTHORITY—ANGLIAN REGION

##### *Notice of application for a licence to abstract water*

Notice is hereby given that an application is being made to the National Rivers Authority, Anglian Region by Anglian Water Services Limited, Chivers Way, Histon, Cambridge CB4 4ZY for a licence to abstract the water from two boreholes in the Lincolnshire Limestone strata in the Parish of Winterton in the District of Glandford in the county of Humberside at National Grid Reference SE 964 197.

The proposed quantities to be abstracted are 4,500 cubic metres in any day, and 1,300,000 cubic metres in any year.

The water is to be used for the purpose of providing a public water supply.

The new licence is to replace the existing licence 4/29/7/G/29 which expires on 30th June 1990.

A copy of the application and of any map, plan or other document may be inspected free of charge at the address given above and at the Scunthorpe District office, Winterton Road, Scunthorpe, Humberside at all reasonable hours during the period beginning on 2nd March 1990 and ending on 30th March 1990.

Any person who wishes to make representations about the application should do so in writing to the Regional Manager Environment and Fisheries, National Rivers Authority, Anglian Region, Kingfisher House, Goldhay Way, Orton Goldhay, Peterborough PE2 0ZR before the end of the said period.

##### *Notice of application for a licence to abstract water*

Notice is hereby given that an application is being made to the National Rivers Authority, Anglian Region by Anglian Water Services Limited, Chivers Way, Histon, Cambridge CB4 4ZY for a licence to abstract underground water from the Spilsby Sandstone from 4 boreholes at Raithby in the Parish of Raithby cum Maltby and from two boreholes in the Parish of Louth in the District of East Lindsey in the county of Lincolnshire at National Grid References TF 318 859, TF 319 858, TF 319 859, TF 319 860, TF 320 859 and from 2 boreholes at Hubbards Hill in the Parish of Louth in the District of East Lindsey in the county of Lincolnshire at National Grid Reference TF 316 867.

The water is to be used for the purpose of providing a public water supply.

The new licence would replace the existing licences 4/29/11/G/151, 4/29/11/G/152 and 4/29/11/G/185 which authorise abstractions from 4 boreholes at Raithby and 2 boreholes at Hubbards Hill.

The effect of the new licence would be to authorise use of the additional two boreholes drilled at the Raithby site at National Grid References TF 319 858 and TF 320 859 and to increase the licensed quantities from 10,092 to 15,000 cubic metres in any day and 3,683,000 to 4,500,000 cubic metres in any year, to be taken from all 8 boreholes.

A copy of the application and of any map, plan or other document may be inspected free of charge at the above address and at Louth District Office, Keddington Corner, Alvingham, Louth, Lincolnshire at all reasonable hours during the period beginning on 2nd March 1990 and ending on 30th March 1990.

Any person who wishes to make representations about the application should do so in writing to the Regional Manager Environment and Fisheries, National Rivers Authority, Anglian Region, Kingfisher House, Goldhay Way, Orton Goldhay, Peterborough PE2 0ZR before the end of the said period.

A. A. Redhead, On behalf of Anglian Water Services Limited

##### *Notice of application to vary a licence to abstract water*

Notice is hereby given that an application is being made to the National Rivers Authority, Anglian Region by Anglian Water Services Limited, Chivers Way, Histon, Cambridge CB4 4ZY, to vary the licence serial number 8/36/15/122 to abstract water from boreholes in chalk strata at the following locations in the District of Colchester in the County of Essex:

| Site Name   | Parish           | No. of boreholes | National Grid Reference      |
|-------------|------------------|------------------|------------------------------|
| Mount Bures | Mount Bures      | 2                | TL 915 329                   |
| Bowdens     | Wormingford      | 3                | TL 940 333<br>and TL 942 331 |
| Pops Bridge | Great Horkeasley | 2                | TL 970 338                   |

The water is used for the purpose of providing a public water supply.

The variation applied for is to authorise abstraction from an additional borehole at Pops Bridge at National Grid Reference TL 971 337.

There will be no change to the quantities of water that may be abstracted.

A copy of the application and of any map, plan or other document submitted with it may be inspected free of charge at the Southern Division Office, 33 Sheepen Road, Colchester at all reasonable hours during the period beginning on 2nd March 1990 and ending on 30th March 1990.

Any person who wishes to make representations about the application should do so in writing to the Regional Manager, Environment and Fisheries, National Rivers Authority, Anglian Region, Kingfisher House, Goldhay Way, Orton Goldhay, Peterborough PE2 0ZR before the end of the said period.
