4. That in order to encourage Benefactions from others and thereby the sooner to compleat the Good that was intended by our Bounty, the Governors may give the said Sum of 200 *l.* to Cures not exceeding 35 *l. per Annum*, where any Persons will give the same, or greater Sum, or Value in Lands or Tythes.

6. That if several Benefactors offer themselves, the Governors shall first comply with those that offer most.
7. Where the Sums offer'd by other Benefactors are equal, the Governors shall always prefer the poorer Living.
8. Where the Cures to be Augmented are of equal Value, and the Benefactions offer'd by others are equal, there, they shall be preferr'd that first offer.
9. Provided nevertheless, that the Preference shall be so far given to Cures not exceeding 10 *l. per Annum*, that the Governors shall not apply above One third Part of Money they have to distribute that Year, to Cures exceeding that Value.

11. As for what shall remain of the Money to be disposed of after that, a List shall be taken of all the Cures in the Church of *England*, not exceeding 10 *l. per Annum*; and so many of them be Chosen by Lot, as there shall remain Sums of 200 *l.* for their Augmentation.
12. When all the Cures not exceeding 10 *l. per Annum* shall be so Augmented, the Governors shall then proceed to Augment those of greater Value, according to such Rules as shall at any time hereafter be proposed by them, and approved by us, our Heirs or Successors, under our or their Great Seal.
