TOWN AND COUNTRY PLANNING ACTS

COTSWOLD DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Conservation Areas at Avening: Longford Mills, Fairford, Kingscote, South Cerney

Notice is hereby given that the Cotswold District Council has designated an area in the above-mentioned place, in the county of Gloucestershire, as Conservation Area, pursuant to section 277 of the Town and Country Planning Act 1971.

A map of the designated area has been deposited at the offices of the Cotswold District Council at Trinity Road, Cirencester and may be inspected during normal office hours. The area comprises:

- (1) *Avening*: Longfords Mills. The designation covers part of the Longfords Mills site, surrounding woodland up to the B4014 Nailsworth to Avening Road and the Mill Pond. The remainder of the Longfords Mills site falls within Stroud District and is already designated a Conservation Area.

In addition, the following Conservation Areas have been reviewed: Fairford, Kingscote and South Cerney:

- (1) *Fairford*: Numerous amendments have been made to recognise the physical boundary changes and to review the elements within the Conservation Area. The Principal alterations are (a) the definition of a boundary at Fairford Park (which was previously an undefined area), and (b) the deletion of Manor Close, Coln House School and Waiten Hill Farm. The boundary to the south of London Road has been rationalised and other minor amendments reflect the need to follow boundaries that are physical and logical.
- (2) *Kingscote*: Four minor alterations have been made. Boxwood Cottage to the north; The Retreat, Grey Dawn Cottage and Cherrytree House to the west, and Alton House to the north of

Hunters Hall have all been deleted from the Conservation Area. The boundary has been amended to include buildings to the east of Park Cottages.

- (3) *South Cerney*: Many alterations have been made to the Conservation Area boundary reflecting both physical boundary changes and review of the elements that contribute to the area. The principal amendments are the inclusion of an area of parkland south and east of St. Edwards College; the tree-lined approach to the old railway bridge along Bow Wow; land at the Laurels, an area centred on Fairview on School Lane and a previously undesignated part of Berry Farm. A strip of land south of Bow Wow, modern farm buildings north of Chapter Manor and two modern dwellings to the east of the Eliot Arms were all deleted.

The purpose of designation is to enhance the character or appearance of these areas of special architectural and historic interest, and to ensure that special regard is paid to the architectural and visual qualities of the designated areas when proposals are under consideration. Subject to certain exceptions, 6 weeks prior notice has to be given to the local planning authority in respect of a proposal to cut down, lop, top, uproot and cause any wilful damage to any tree in the Conservation Area, Listed Building Consent is required for the demolition of buildings or walls, whether Listed or not, within the designated area. Failure to give such notice or to obtain such consent may constitute a criminal offence.

LONDON BOROUGH OF RICHMOND-UPON-THAMES

TOWN AND COUNTRY PLANNING ACTS 1971-1974

Designation of Conservation Area

Notice is hereby given in pursuance of section 277 of the Town and Country Planning Act 1971 that the Council of the London Borough of Richmond-upon-Thames, as Local Planning Authority has designated the following Conservation Area:

Beresford Avenue — Conservation Area No. 56

The consequences of the designation are that:

- (a) The Council is required to pay special attention to the desirability of preserving or enhancing the character or appearance of conservation areas in the exercise of any powers under the Town and Country Planning Act, 1971, Part 1 of the Historic Buildings and Ancient Monuments Act, 1953 or the Local Authorities (Historic Buildings) Act 1962.
- (b) Any building within a conservation area not being a building falling within any of the exempt categories shall not be demolished without the consent of the Council.
- (c) Exempted buildings are listed buildings (which cannot be demolished without consent in any event) as defined by the 1971 Act, excepted buildings within the meaning of section 58 (2) of the 1971 Act, and buildings in relation to which a direction under section 277 (a) (4) of the 1971 Act, is for the time being in force. The exemption of certain categories of buildings from control of demolition under section 277 (a) of the 1971 Act, does not affect the provisions of other legislation controlling demolition of such buildings.

An application for consent to the demolition of a building (other than exempted building) in a conservation area shall be made to the Council as a separate application and not as part of an application for planning permission to redevelop the site of the building.

- (d) Pursuant to section 61 (a) of the Town and Country Planning Act 1971, any person who cuts down, tops, lops, uproots, wilfully damages or wilfully destroys any tree in a conservation area or authorises such action, without the Council's specific consent will become liable to prosecution and the owner will become liable to replant a tree of appropriate size and species, unless at least 6 weeks notice of such action has been given to the Council.

There are certain exemptions to these provisions which, *inter alia*, exempt trees which are dying or dead or have become dangerous, fruit trees cultivated for fruit production and trees which do not exceed approximately three inches in diameter.

A map showing the extent of the conservation area is available for inspection at the Technical Services Department - Planning Division, Civic Centre, York Street, Twickenham, where further information on this matter may be obtained and to which applications should be addressed.
