LONDON BOROUGH OF RICHMOND UPON THAMES

Town and Country Planning Acts 1971-1974

Designation of Conservation Area

Notice is hereby given, in pursuance of section 277 of the Town and Country Planning Act 1971, that the Council of the London Borough of Richmond upon Thames, as Local Planning Authority has designated the following Conservation Area:

Old Deer Park Richmond—Conservation Area No. 57

The consequences of the designation are that:

- (a) The Council is required to pay special attention to the desirability of preserving or enhancing the character or appearance of conservation areas in the exercise of any powers under the Town and Country Planning Act 1971, Part I of the Historic Buildings and Ancient Monuments Act 1953, or the Local Authorities (Historic Buildings) Act 1962.
- (b) Any building within a conservation area *not being a building falling within any of the exempt categories* shall not be demolished without the consent of the Council.
- (c) Exempted buildings are listed buildings (which cannot be demolished without consent in any event) as defined by the 1971 Act, excepted buildings within the meaning of section 58 (2) of the 1971 Act, and buildings in relation to which a direction under section 277(a)(4) of the 1971 Act, is for the time being in force. The exemption of certain categories of buildings from control or demolition under section 277(a) of the 1971 Act, does not affect the provisions of other legislation controlling demolition of such buildings.

(An application for consent to the demolition of a building (other than an exempted building) in a conservation area shall be made to the Council as a separate application and not as part of an application for planning permission to redevelop the site of the building).

(d) Pursuant to section 61(a) of the Town and Country Planning Act 1971, any person who cuts down, tops, lops, uproots, wilfully damages or wilfully destroys any tree in a conservation area or authorises such action, without the Council's specific consent will become liable to prosecution and the owner will become liable to replant a tree of appropriate size and species, unless at least six weeks notice of such action has been given to the Council.

There are certain exemptions to these provisions which, inter alia, exempt trees which are dying or dead or have become dangerous, fruit trees cultivated for fruit production and trees which do not exceed approximately three inches in diameter.

A map showing the extent of the conservation area is available for inspection at the Technical Services Department—Planning Division, Civic Centre, York Street, Twickenham, where further information on this matter may be obtained and to which applications should be addressed.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
