NORTHAMPTONSHIRE COUNTY COUNCIL

The Northamptonshire County Council (Various Roads) (Kettering) (Prohibition and Restriction of Waiting) (No. 1) Order 1976) (Modification No. 1) Order 1990

Notice is hereby given that the Northamptonshire County Council propose to make an Order under sections 1(1) and 2(1) to (3) and Schedule 9 of the Road Traffic Regulation Act 1984, the effect of which will be to modify the provisions of the Northamptonshire County Council (Various Roads) (Kettering) (Prohibition and Restriction of Waiting) (No. 1) Order 1976 by adding to the lengths of Horsemarket and Queen Street described below a prohibition on loading and unloading of vehicles between 8 a.m. and 12 noon and 2 p.m. to 6 p.m. on Mondays to Saturdays in addition to the existing "no waiting at any time restriction".

Lengths of Road to which the Restriction Applies:

- (i) Horsemarket, eastern section, from the southern side of Carrington Street for a distance of 72 yards in a southerly direction.

- (iii) Queen Street, both sides, from its junction with Horsemarket for a distance of 55 yards in an easterly direction.

Reason for Modification: The Horsemarket/Queen Street junction plays an important role in the town centre traffic circulation network of Kettering. Any disruption to traffic flow at this signal-controlled junction has a considerable effect on the capacity of the

junction and rapidly causes congestion and creates a delay. The prohibition of loading and unloading will prevent any vehicles from causing obstruction at critical times.

Objections to the proposed Order, stating the grounds on which they are made, should be sent in writing to the undersigned by 6th August 1990.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
