# Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:

### The Official Verbatim Report of Parliamentary Proceedings

Hansard reflects opinion on all topics of the day and is of great interest to the business or professional man. In addition to a factual word-for-word transcription of speeches in debate, it contains the answers to all Parliamentary Questions, complete Division Lists, and following each session details of the composition of the House. Proceedings up to 10 p.m. each day are reported in the issue on sale at 8.30 the following morning at the Government Bookshop in Holborn. A Weekly Edition is also published, and bound volumes are issued periodically during the session. Standing Orders can be accepted, if a suitable deposit is sent, for debates on definite subjects.
