RESTORMEL BOROUGH COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Designation of Extended Charlestown Conservation Area

Notice is hereby given that, in accordance with section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, the Restormel Borough Council has extended the area of land within the village of Charlestown designated as a Conservation Area with effect from 1st October 1990. The Borough Council has determined that the area is of special architectural or historic interest, the character of which it is desirable to preserve or enhance.

A map of the revised designated area has been deposited at the offices of the Borough of Restormel, Planning Department, 39 Penwinnick Road, St. Austell, and may be inspected between the hours of 9 a.m. to 1 p.m. and 2 p.m. to 5 p.m., on Mondays to Fridays inclusive.

The effect of the designation may be summarised as follows:

- Where any application for planning permission for development of land in or adjacent to the Conservation Area is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the Conservation Area, the application will be subject to the special procedure in section 67 of the Planning (Listed Buildings and Conservation Areas) Act 1990.
- Anyone wishing to demolish a building or a part of a building situated within the Conservation Area, must first apply for consent to demolish, to the Local Planning Authority. This is not taken to be included in a planning permission for redevelopment of the site unless, in granting the planning permission, the authority states that it includes consent to demolish the building. Some buildings may be exempt from this requirement.
- Anyone wishing to cut down, top, lop or uproot a tree situated within the Conservation Area must give 6 weeks prior notice of his/her intention to the Local Planning Authority.

NORTH WILTSHIRE DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Notice of Designation of Castle Combe Conservation Area, Castle Combe, Wiltshire

Notice is hereby given that North Wiltshire District Council designated the above named Conservation Area on 18th September 1990.

A plan of the Castle Combe Conservation Area is available for public inspection, free of charge, at the District Council Offices, Planning Department, Monkton Park, Chippenham, Wiltshire, at 8.45 a.m. to 5.15 p.m. Monday to Thursday, 8.45 a.m. to 4.45 p.m. Friday.

Castle Combe Conservation Area includes all the traditional buildings in the settlement and Upper Castle Combe and the surrounding agricultural land of By Brook and the old castle mound which provides a setting to this village.

The principle objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local planning authority 6 weeks notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority consider would affect the character of appearance of the Conservation Area or the setting of a Listed Building. The application will not be determined for 21 days, after the notice is first displayed, during which time representations relating to any such application may be made to the Council. In determining the application the local planning authority shall take into account the representation made.

For further information and a copy of the designated area contact the Planning Department, North Wiltshire District Council, Monkton Park, Chippenham, Wiltshire SN15 1ER. (Tel: Chippenham (0249) 443322 Ext. 661). (726)
