- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

TOWN AND COUNTRY PLANNING ACTS

COTSWOLD DISTRICT COUNCIL

THE PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Conservation Areas at Kemble Station, Adlestrop, Ampney Crucis, Little Barrington, Lower Swell, Naunton, Sherborne and Todenham

Notice is hereby given that the Cotswold District Council has designated Kemble Station, in the county of Gloucestershire, as a Conservation Area, pursuant to sections 69 and 70 of The Planning (Listed Buildings and Conservation Areas) Act 1990. Seven other, existing, Conservation Areas have also been reviewed.

Maps of the designated and reviewed Conservation Areas have been deposited at the offices of the Cotswold District Council at Trinity Road, Cirencester and the Council Offices at Moreton-in-Marsh and may be inspected during normal office hours.

The new designation comprises:

Kemble Station

The entire station is designated, together with buildings in the vicinity of The Tavern, The Bridge, Western Villa and Railway Terrace. This designation is separate from Kemble Conservation Area.

The following Conservation Areas have been reviewed:

1. *Adlestrop*

Four amendments have been carried out. Parkland at Adlestrop House and woodland to the east of Reality House are added to the Conservation Area, while Orchard Bungalow and the Village Hall are both deleted.

2. *Ampney Crucis*

Numerous changes have resulted in additions at Ampney Park, along the A417, fields to the south and west of Ampney House, the cemetery and land to the east and west of Birch Farm. The main deletions are; the housing development at Dudley Farm, Nos. 34 and 35 Barnes Croft, a modern property to the rear of No. 26 and three bungalows opposite the football field.

3. *Little Barrington*

This designation had been substantially enlarged to include water meadows to the north and east of the village. The Conservation Area now extends as far east as Paper Mill Cottages and north to the River Windrush. It also abuts the south eastern corner of Great Barrington Conservation Area.

4. *Lower Swell*

An extension to the north and east brings Searchan Coppice and Bowl Farm (part of Abbotswood Park) within the Conservation Area. Modern development, at Whittlestone Hollow and Whittlestone Close, has been deleted, together with agricultural buildings and further modern housing opposite Rectory Close.

5. *Naunton*

Naunton Conservation Area has been extended to include the valley sides to the south of Dale Street and to the north of Mill View. The latter also brings in woodland known as The Brake.

6. *Sherborne*

This designation previously only covered the linear settlement of Sherborne itself. The revised Conservation Area is substantially larger and now includes most of Sherborne Park, to the north and south of the village. Cheltenham Lodges, Home Farm and Northfield Barn are all included, together with a westward extension along Sherborne Brook to Haycroft Farm.

7. *Todenham*

Several changes have been made to this designation. The largest of these is the inclusion of land which provides an important setting to the east of Todenham Manor. The other amendments have resulted in deleting the Farriers Arms car park; modern development

between Church Cottages and Stone Bridge; fields south of The Rectory and land at Dunsden Farm and Home Farm.

The purpose of designation is to enhance the character or appearance of these areas of special architectural and historic interest, and to ensure that special regard is paid to the architectural and visual qualities of the designated areas when proposals are under consideration. Subject to certain exceptions, 6 weeks prior notice has to be given to the Local Planning Authority in respect of a proposal to cut down, lop, top, uproot and cause any wilful damage to any tree in the Conservation Area, Listed Building Consent is required for the demolition of buildings or walls, whether Listed or not, within the designated area. Failure to give such notice or to obtain such consent may constitute a criminal offence.

Designation of Lakenheath Conservation Area

Notice is hereby given that the Forest Heath District Council has designated the centre of Lakenheath as a Conservation Area pursuant to section 277 of the Town and Country Planning Act 1971 (as amended).

The purpose of the designation is to preserve and enhance the character and appearance of an area of special architectural and historic interest as a whole when proposals for development are under consideration. The relevant main provisions of the 1971 Act (as amended) are that, with certain exceptions, no building within the Conservation Area may be demolished without the consent of the District Council and that owners wishing to undertake work on trees must give 6 weeks notice of their intention to the District Council which may serve a Tree Preservation Order. Where such an Order already exists an application for consent is required. The Town and Country Planning General Development Order (as amended) sets out the categories of development which can be carried out without the need to apply for planning permission.

The designated area is bounded by Back Street and includes all properties between No. 19 and Lime Tree Bungalow, encompasses land and trees inside the entrance to the football club, together with the nursery school, the Doctor's surgery at Chalk Farm and the property known as the 'Gatehouse', continues along the brick boundary wall to the right of Hall Drive and includes the curtilages of 'Manor Garden', 'Retreat Gardens' and the 'Dove House' and all the remaining land surrounding Lakenheath Hall up to the shop in the north-eastern corner together with No. 42 Station Road and the property at the northern end of Hall Drive, passes along the western boundary of Hall Drive, including the curtilage of 'Cobden House', down the centre of the B1112 and across to include the front gardens of the Council built houses, extends westwards along the northern boundary of Dumpingbridge Lane, south-east along the centre of the Cut-off Channel, then north-east between the new housing estate and No. 142 High Street but includes Nos. 144-146 High Street and part of the entrance to the telephone exchange, and then crosses the High Street to the centre of Back Street, and extends to No. 19 Back Street.
