ROAD TRAFFIC REGULATION ACT 1984—SECTION 9

The A1 Trunk Road (Haringey) Red Route Experimental Traffic Order 1990

The Secretary of State for Transport hereby gives notice that on 11th December 1990, he made the above-named Order which will come into force on 1st January 1991.

This Order brings into effect a new system of parking controls on the Trunk Road part of the Red Route pilot scheme in the London Borough of Haringey.

New red lines and signs showing special Red Route restrictions to prevent stationary vehicles obstructing traffic or causing danger are being introduced. Double red lines alongside the kerb mean no stopping at any time. A single red line alongside the kerb means no stopping during the working day.

The only exemptions from these red line restrictions are:

- buses at stops and stands
- licensed taxis picking up or setting down passengers;
- vehicles picking up or setting down a person with a disability;
- vehicles stopping to avoid an accident or when legally required to stop; or
- vehicles being used for emergency purposes.

In locations where stopping does not cause congestion or danger there will be road markings and signs indicating that vehicles are allowed to stop and giving the times, purposes and durations.

Where conditions permit the marked areas will be available for all vehicles to stop and wait for an unlimited period or for periods of 2 hours or 20 minutes. Where space is limited but commercial premises have to be serviced from the road, marked areas and signs will identify where loading and unloading are permitted for up to 20 minutes.

The roads involved in the Order are Archway Road, Bakers Lane, part of Aylmer Road and part of North Hill.

Under the provisions of section 9 of the Road Traffic Regulation Act 1984, the Order may continue in force for 18 months from the date it comes into force. During that period the prohibition will be reviewed and the Secretary of State for Transport may publish proposals for the permanent retention of the prohibition under section 6 of the Act.

A copy of the Order, a plan which illustrates the effects and a statement of the Secretary of State's reasons for imposing it, will be deposited at the offices of the Department of Transport, Room C8/17, 2 Marsham Street, London SW1P 3EB, and at the offices of the Borough Engineer and Surveyor, London Borough of Haringey, Hornsey Town Hall, Crouch End Broadway, London N8 9JJ, where they may be inspected between the hours of 9.30 a.m. and 4 p.m. on Mondays to Fridays inclusive, excepting bank holidays, until 22nd January 1991.

Any person desiring to question the validity of the Order, or of any provision contained therein on the grounds that it is not within the relevant powers of the Road Traffic Regulation Act 1984, or that any relevant requirements thereof or of any relevant regulations made thereunder has not been complied with in relation to the Order, may, within 6 weeks of the date on which the Order was made, make application for the purpose to the High Court.

Also the Order will prohibit the right-turn move from Pytchley Road into the A509 Wellingborough to Kettering Road.

Reason for making the Order: A new road layout has been constructed as part of the new superstore development. It is considered for road safety reasons that the link road between the A509 and Pytchley Lodge Road should be made one-way in a north-easterly direction to prevent vehicles making dangerous manoeuvres into this road from the A509. Vehicles requiring access into Pytchley Lodge Road will need to use the new roundabout. The prohibition of right turning traffic is also considered necessary to prevent vehicles turning right into the A509.

A copy of the proposed Order, together with a plan showing the exact lengths or road to which it relates may be inspected at Kettering Library, Sheep Street, Kettering during normal opening hours or at the offices of the undersigned during the hours of 9 a.m. to 12 noon and 2 p.m. to 4 p.m. on Mondays to Fridays inclusive.

If you wish to question the validity of the Order or of any provision contained in it on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or on the grounds that any requirement of that Act, or of any Instrument made under it has not been complied with in relation to the Order, you may within 6 weeks from the 13th December 1990, apply to the High Court for this purpose.

The Order will become effective on 17th December 1990.

NORTHAMPTONSHIRE COUNTY COUNCIL

The Northamptonshire County Council (Lime Street and Station Road, Irthlingborough) (Prohibition of Waiting) Order 199

Notice is hereby given that the Northamptonshire County Council propose to make the above named Order under sections 1(1) and 2 and 2(1) to (3) and 4(2) and Schedule 9 to the Road Traffic Regulation Act 1984. The general effect of the Order will be to introduce "no waiting at any time" restrictions in that length of Lime Street, and Station Road, Irthlingborough as set out below.

Road to which restriction applies: Both sides of Lime Street, from its junction with Station Road to its junction with Lime Terrace. The south side of Station Road from a point 15 yards east of its junction with Lime Street, to a point 15 yards west of that junction, and from a point 15 yards east of its junction with Lime Court to a point 15 yards west of that junction.

Reason for restriction: There is at present serious congestion in the vicinity of Station Road/Lime Street caused by parked cars. The 'no waiting at any time' restriction will ease congestion and allow access for emergency vehicles along Lime Street.

A copy of the proposed Order, together with a plan showing the length of road to which it relates and a statement of the Council's reasons for proposing to make the Order may be inspected at

Irthlingborough Library, High Street, Irthlingborough during normal opening hours or at the offices of the undersigned during the hours of 9 a.m. and 12 noon and 2 p.m. to 4 p.m. on Mondays to Fridays inclusive.

OXFORD CITY COUNCIL

Cherwell Street and Little Brewery Street—Alterations to Residents' and General Parking

Notice is hereby given that, The Oxford City Council, as agent for and with the consent of the Oxfordshire County Council, has made an Order to alter residents' and general parking places in Cherwell Street and Little Brewery Street.

The 24-hour general parking place on the north-east side of Cherwell Street will be removed and replaced by an area of residents'-only parking. The existing residents'-only parking on the south-west side of the road will be increased.

The existing residents'-only parking on the west side of Little Brewery Street will be reduced and some replacement residents'-only parking will be provided on the east side. The net effect of these proposals for residents is to increase residents'-only parking in the two streets from 21 spaces to 24 spaces.

The proposals have been formulated because of recent development in Little Brewery Street the effect of which, because of access requirements, has been effectively to prevent use of many of the residents' parking places in Little Brewery Street.

The title of the Order is "The City of Oxford (East Oxford) (Parking Places and Traffic Management) Order 1990". It will come into operation on 17th December 1990.

If you wish to question the validity of the Order on the grounds, that it is not within the powers conferred by the Road Traffic Regulation Act 1984 or that any other legal requirement has not been complied with in relation to the Order you may, within 6 weeks of the day of this notice, apply to the High Court for this purpose.

2. Subject to certain exceptions, at least 6 weeks notice must be given to the Local Planning Authority of any intention to undertake work on any tree within the Conservation Area.
3. Special attention shall be paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area.
4. The Local Planning Authority have a duty to formulate and publish proposals for the preservation and enhancement of the Conservation Area.
5. Planning applications for development which would, in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area must be given publicity, and any representations received taken into account in determining the application.

When contemplating any of the above works, or for further information and advice, please contact the Planning Department, Wallfields, Pegs Lane, Hertford. Telephone: Bishop's Stortford (0279) 655261.

LONDON BOROUGH OF HARINGEY

PLANNING (LISTED BUILDING AND CONSERVATION AREAS) ACT 1990

Designation of Extension to Highgate Conservation Area

Notice is hereby given that the Council of the London Borough of Haringey on 27th September 1990 under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, designated an extension to the existing Highgate Conservation Area.

The extended Conservation Area, as so designated, is shown on drawing No. 8148, a copy of which may be inspected at the Council's Town Planning Service, Hornsey Town Hall Annex, Crouch End, London N.8 Mondays to Fridays during normal office hours.

demolition to any building or part of any building in a Conservation Area) and to the felling, lopping etc. of trees. There are penalties for contravening these controls. In addition, there are special planning policies for Conservation Areas.
