TOWN AND COUNTRY
PLANNING ACTS

FOREST HEATH DISTRICT COUNCIL

*Planning (Listed Buildings and Conservation Areas) Act 1990**Variations to Moulton Conservation Area*

Notice is hereby given that the Forest Heath District Council, by resolution dated 30th January 1991, pursuant to section 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990, has designated the areas specified in the Schedule hereto as Conservation Areas, which in effect form extensions to and become part of the existing Moulton Conservation Area. A plan of the Moulton

Conservation Area. A plan of the Moulton Conservation Area as extended may be inspected during normal office hours at both the District Offices, College Heath Road, Mildenhall and the Forest Hill District Council Information Centre, The Rookery, Newmarket.

The purpose of the designations is to preserve and enhance the character and appearance of areas which are of special architectural or historic interest and to ensure that special regard is paid to the architectural and visual qualities of the Moulton Conservation Area as a whole when proposals for development are under consideration.

The principal effects of the designation will be that, under the Planning (Listed Buildings and Conservation Areas) Act 1990, with certain exceptions, no buildings within the Conservation Area may be demolished without the consent of the District Council and that, under the Town and Country Planning Act 1990, owners wishing to do work to trees must give 6 weeks notice of their intention to the District Council which may decide to make a Tree Preservation Order. Where such an Order is already in force an application for consent is required. Permitted development rights, which for certain classes of development are narrower in Conservation Areas, are contained within the Town and Country Planning General Development Order 1988.

J. F. Gale, Chief Executive and District Secretary

District Offices, College Heath Road,
Mildenhall, Suffolk IP28 7EY.
