HYNDBURN BOROUGH COUNCIL

LISTED BUILDINGS ACT 1990

Amended Christ Church Conservation Area, Hyndburn

Notice is hereby given that on 15th January 1991, the Hyndburn Borough Council as the District Planning Authority, amended the boundary of Christ Church Conservation Area, pursuant to section 69 of the Listed Buildings Act 1990.

In areas designated as Conservation Areas special attention is paid to the desirability of preserving or enhancing their character or appearance and Local Planning Authorities are empowered to take effective measures to improve the environment.

Designation of a Conservation Area has several consequences under the Listed Buildings Act 1990 including:—No building in a Conservation Area shall be demolished without the consent of the Local Planning Authority.

Trees in Conservation Areas are protected by the Act. Any person wishing to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in a Conservation Area must give the District Council 6 weeks notice of his intention of so doing. The purpose of this provision is to give the Local Planning Authority a final opportunity to make a Tree Preservation Order before the work proposed is carried out. If the work is begun without due notice the person concerned is liable to penalties.

Copies of the plan showing the revised boundaries of Christ Church Conservation Area are available for inspection during normal office hours at the Department of Development Services, Union Street, Accrington, Telephone Accrington (0254) 381511. Persons requiring further information on the above-mentioned matters should contact the Director, Development Services at the above address.

LEOMINSTER DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1990

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

TOWN AND COUNTRY AMENITIES ACT 1974

Notice is hereby given that the Leominster District Council in pursuance of their powers under section L.69.01 of the Planning (Listed Buildings and Conservation Areas) Act 1990 have designated the undermentioned area of the District as a Conservation Area.

LUSTON

Commencing on the B.4361 north of Luston the conservation area boundary will include a small area of land opposite York Cottage on the eastern side of the road, and following the eastern boundary of the highway to O. S. No. 6251 travel its boundary in an easterly then southerly then easterly direction behind a property known as Hillside and a barn in field O.S. No. 7962 where the boundary will turn south-east, cross the roadway leading to Ashton, turn south west along the southern boundary of that road, then, turning south and west will follow two sides of a field being part of O.S. No. 7236 opposite Luston Court to a position by the Pumping Station. At this stage the boundary will turn south to the northern boundary of property known as The Steps where it will follow such boundary in an easterly direction to field O.S. No. 9223 when it will travel in a southerly direction for some distance behind properties such as The Balance Inn, Hopyard Cottage, the properties in Lilac Grove, Yew Tree Cottage, easterly to include a pond behind property known as Tremezzo, then south-westerly to the buildings at Bury Farm, at the boundary of which the line will turn back north-east to the angle of

the field O.S. No. 9060 where again it will turn sharply south-south-west to the B4361, and follow the field edge of O.S. No. 9060 on its eastern side to the yard at Bury Farm. At this point the Conservation Area boundary will cross the B4361 and following the western side of the road travel north-west over the unclassified road 92 601 leading to EYTON and on to the south-westerly corner of O.S. No. 6371 at which point it will follow that field's western boundary northwards and behind the new housing development known as The Willows and onwards northerly turning west then north-north-west behind the development known as Westlands View and the Luston County Primary School and part field O.S. No. 3937 where it will continue northerly behind the Townsend Close development and the edge of field O.S. No. 4454 to include the property known as The Whyn where the boundary will turn sharp eastwards at its northernmost point, cross the roadway C1043 to YARPOLE, and following the north boundary of York Cottage rejoin the B4361 thus completing the Conservation Area Boundary.

Plans showing this area can be inspected during normal working hours, at the offices of Leominster District Council, Planning Department, Lion House, Broad Street, Leominster, Herefordshire.

The effect of Conservation Area Designation will be that:

- (1) the demolition of certain buildings is brought within Conservation area control under section 74 of the Planning (Listed Buildings and Conservation Area) Act 1990 and The Conservation Area Code.
- (2) it becomes an offence to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in the area except with the consent of the local planning authority, and
- (3) planning applications for development which would in the opinion of the local planning authority affect the character or appearance of the Conservation Area must be given publicity under section 67 as applied by section 73 and representations received in consequence taken into account in determining the application.
- (4) permitted development rights under the General Development Order 1988 are more restricted. Offences against these provisions may result in heavy fines.
- (5) the Council will give special attention to the desirability of preserving or enhancing the character or appearance of the Conservation Area.
- (6) grants and loans become payable under sections 77 and 80 by the Secretary of State towards expenditure incurred in the preservation or enhancement of the character or appearance of any conservation area and for the purposes of making grants for the repair of buildings in conservation areas.

Any enquires regarding the above should be addressed to the Planning Department, Leominster District Council, Lion House, Broad Street, Leominster, Herefordshire.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
