

The copies of the Instruments and plans so deposited are available for inspection free of charge by all persons interested at the Council Office mentioned above, or at the place, and at the times detailed in the Schedule.

The effect of the said designation is that:

- (a) All planning applications for development that would affect the character of the area must be advertised and site notices posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- (b) The prior approval of the District Planning Authority may be required for the demolition of buildings within the Conservation Area (Applications for approval may be made separately or as part of an application for planning permission for the redevelopment of a site within the Conservation Area).
- (c) Certain trees within the Conservation Area cannot be felled, topped or lopped or uprooted without the consent of the West Oxfordshire District Council. If the trees are subject to wilful damage or wilful destruction an offence may have been committed.
- (d) If it is intended to demolish any building or part of a building to carry out any work which may be in anyway affect a tree within the Conservation area the advice of the West Oxfordshire District Council should be sought.
- (e) The West Oxfordshire District Council as District Planning Authority will exercise particular care to ensure that change, when it occurs, does not detract from the character of the area.
