WATER ACTS

NATIONAL RIVERS AUTHORITY, THAMES REGION

WATER ACT 1989

Notice of application for consent

Notice is hereby given, in accordance with Schedule 12 of the Water Act 1989, that application has been made to the National Rivers Authority by South Quay Management (Waterside) Ltd. for consent to discharge 23,000 cubic metres per day of heat pump recirculating water to the tidal River Thames at National Grid Ref. TQ376799 from Waterside and Dundonald House and South Quay Tower, Admirals Way, Marsh Wall, Isle of Dogs, London.

Any person who wishes to make representations about the application should do so, in writing, to the Catchment Control Manager, Thames Region, National Rivers Authority, Kings Meadow House, Kings Meadow Road, Reading, Berkshire RG1 8DQ, quoting APP5383 not later than 5th August 1991.

G. W. Phillips, Catchment Control Manager

The NRA is committed to maintaining and, where possible, improving water quality. If, after full consideration of this application and any representations made by interested parties, it is decided that consent can be given, then conditions will be imposed to ensure that the effluent receives treatment before discharge to the receiving waters so that the above aims are met.

14th June 1991.

NATIONAL RIVERS AUTHORITY—SEVERN-TRENT REGION

Notice of application to vary a licence to abstract water

Notice is hereby given that an application is being made to the National Rivers Authority by C. Clarke & Sons, of Gooms Hill Farm, Radford, Inkberrow, Worcestershire WR7 4LT, to vary licence serial number 18/54/17/322 to abstract water from a borehole at National Grid Reference SP 053523 on land at Bevington Hall Farm, Cock Bevington, Salford Priors. The variation applied for is to increase the daily authorised quantity from 16 cubic metres to 109 cubic metres and the annual quantity from 227 cubic metres to 6,818 cubic metres. To be used for filling storage reservoir for subsequent spray irrigation throughout the year. The Agriculture use of 227 cubic metres shall be removed from this licence. Also to include additional land on which water is to be irrigated as edged in green on supporting map.

A copy of the application and of any map, plan or other document submitted with it may be inspected, free of charge, at Whitfield, Bevington Waste, Cock Bevington, Salford Priors, at all reasonable hours during the period beginning on 21st June 1991, and ending on 26th July 1991.

Any person who wishes to make representations about the application should do so in writing to the Catchment Regulation Section, National Rivers Authority, at Severn-Trent Region, Sapphire East, 550 Streetsbrook Road, Solihull B91 1QT, before the end of the said period.

K. Clarke, on behalf of C. Clarke & Sons

14th June 1991.

NATIONAL RIVERS AUTHORITY—WELSH REGION

Notice of application for a licence to abstract water

Notice is hereby given that an application is being made to the National Rivers Authority, Welsh Region, by South Eastern Division, Dwr Cymru Cyfyngedig, Pentwyn Road, Nelson, Treharris, Mid Glamorgan for a licence to abstract the following quantities of water from the River Wye in the District of Monmouth in the county of Gwent at National Grid Reference SO 5170 1318. A maximum of 6,325,000 gallons (28,750 cubic metres) per annum at a maximum daily rate of 17,290 gallons (78.6 cubic metres) per day. The water is required for the purposes of river water quality monitoring associated with the adjacent abstraction made for Public Water Supply and authorised by abstraction licence 19/55/18/408. After quality assessment all the water is returned to the river in its natural state some 75 metres downstream of the abstraction point at National Grid Reference SO 5163 1313.
