4. Statement of reasons: The Order was confirmed after considering the following factors:

1. The need to eliminate the operating deficit being charged by the Community Charge payers of the Borough.
2. To deter the use of car parks provided for use of shoppers by commuters avoiding the higher parking fees in Station Car Parks.
3. It had previously been decided to introduce parking fees in the Civic Centre multi-storey car park but had been deferred until the closure of George Square for redevelopment. As the development has been deferred the introduction of fees is now to be implemented.
4. The swimming pool car park at Hayes is used by significant numbers of parkers not using the facilities. It is therefore decided to offset the costs of providing the car park to charge parking fees, refund the fee for users of the pool.
5. Leafletting of cars causes considerable quantities of litter as the vehicle drivers frequently discard leaflets on the ground. Placing of unauthorised advertising within car parks may refer to events contrary to Councils policy. The person responsible for placing the leaflets or adverts is to be made liable to a fixed charge; the author being responsible for identifying that person.

All other facilities, charges and conditions will remain unaltered. A copy of the Order and the Order which it varies, together with a statement of reasons for making the Order (as contained in a consultation text) may be inspected during normal working hours at the reception desk, Level 2, Civic Centre, Uxbridge. The Order shall come into effect on Sunday, 30th June 1991.

Any person wishing to question the validity of the Order or of any of its provisions on the ground that it is not within the powers of the relevant enabling Act or that a requirement of any such enabling Act or of any relevant regulations made thereunder has not been complied with may, within 6 weeks from the date on which the Order was made, make application for the purpose to the High Court.
