Notice is hereby given that the Dorset County Council propose to make an Order under sections 1, 2, 4, 9, 19, 32, 45, 46, 49 and 53 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984.

The effect of the Order will be to amend all previous Orders, made or having effect as if made by the County Council of Dorset so that any public service vehicle, whilst operating as a local service, will be exempt from the provisions of those Orders which prohibit vehicles from waiting on roads which form bus routes. Public service vehicles will be able to wait in those areas indicated as bus stops for reasons other than to enable persons to board or alight (eg. crew relief points, bus timing or termination points).

In this Order a 'public service vehicle' means a vehicle as defined in section 1(1)(a) of the Public Passenger Vehicles Act 1981 and 'local service' which has the meaning assigned to it by section 2 of the Transport Act 1985.

This Order was required by virtue of the repeal by Schedule 8 of the Transport Act 1985, of section 3(4) of the Road Traffic Regulation Act 1984, which provided that no prohibition or restriction of waiting imposed by any traffic regulation order should apply to local buses.

This Order will extend to cover the whole of the County of Dorset, except for the Boroughs of Bournemouth, Christchurch, Poole and Weymouth and Portland.

Full details of this proposal are contained in the Draft Order which may be inspected from Monday to Friday during normal office hours at Dorset County Council, Transportation and Engineering Department, County Hall, Dorchester.

#### TOWN AND COUNTRY PLANNING ACTS

##### RHUDDLAN BOROUGH COUNCIL

*Planning (Listed Buildings and Conservation Areas) Act 1990  
Section 69 Extensions to St. Asaph Conservation Area*

Notice is hereby given that Rhuddlan Borough Council has, following meetings of its Planning and Development Committee on Monday, 7th January and Monday, 18th February 1991, designated additional parts of the City and Community of St. Asaph within the already existing St. Asaph Conservation Area. The additional lands now designated adjoin the St. Asaph Conservation Area, and the Council considers their inclusion within it to be desirable for the preservation and enhancement of the special character of the Conservation Area previously designated, and by reason of their character and architectural or historic interest.

The areas to be added to the designated Conservation Area are specifically listed in the Schedule hereto, but are generally located surrounding St. Asaph Bridge, at Ty Fry in Ffordd-y-Gemig, between Cathedral Walk and Ffordd-y-Bryn, and on either side of Chester Street where it was formerly crossed by the Vale of Clwyd Railway.

Maps defining the extensions designated to the St. Asaph Conservation Area are available for inspection at the Offices of the Borough Engineer and Surveyor, Council Offices, Nant Hall Road, Prestatyn, at the Offices of the Borough Secretary, Council Offices, Upper Denbigh Road, St. Asaph and also from the Conservation Officer of the Department of Architecture, Planning and Estates, Clwyd County Council, Shire Hall, Mold, in each case during normal office hours.

Within the extended Conservation Area, the demolition of any building or wall will require Conservation Area Consent from the Council, and although certain minor works do not require specific planning permission, their scope will be reduced. Also, the lopping, topping or felling of trees within the Conservation Area may only take place either with the prior consent of the Council or if they have expressed no objection, on the expiry of 6 weeks' notice given to them. Generally, in recognition of the special character of the area, the Council will exercise a higher level of control over new proposals and expect a standard of design appropriate to the importance of the area.
