TOWN AND COUNTRY PLANNING ACTS

EXETER CITY COUNCIL

Designation of Alphin Brook Conservation Area

Notice is hereby given that the Exeter City Council as Local Planning Authority have designated an area of the City as a conservation area under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as being of special historic or architectural interest.

The object of such designation is to preserve the character or appearance of the area of special architectural or historic interest as distinct from individual buildings, to control development in such area and to stimulate and encourage measures to improve the environment.

The area designated is bounded by the south side of Pocombe Hill then Dunsford Road past Little John's Cross, to include the land of South West Water; then doubling back along the rear of properties in Vuefield Hill, Orchard Hill and Cowick Hill; a short length of Footpath 31 (Roly Poly Hill) then along the high side of the allotments; north-eastwards via Hambeer Lane and then south-eastwards to the rear of Woodbury View and Saint Hill Close to Cross Crabb Lane. Then to the rear of properties in Crabb Lane to join the south side of Cowick Lane to Church Road. Then south-westwards to include the former railway embankment to join the A30; along the A30 until it crosses Ide Lane; then along Ide Lane to rejoin Pocombe Hill.

A plan showing the area is available for public inspection at the office of the City Solicitor, Civic Centre, Exeter, during normal office hours.

The designation has certain implications for planning control including the following:

- (1) the demolition of any building or part of a building requires Conservation Area Consent (subject to certain minor exemptions);
- (2) it is an offence to cut down, lop, top, uproot or damage any tree in the area except with the consent of the Planning Authority;
- (3) the Planning Authority are now under a duty to formulate and publish proposals for the preservation and enhancement of the area;
- (4) planning applications for development which might affect the character or appearance of the conservation area must be given additional publicity;
- (5) there are certain restrictions to permitted development rights under the General Development Order 1988;
- (6) the right to display certain types of illuminated advertisements without express consent under the appropriate Regulations is excluded;
- (7) certain grants and loans may become available under the provisions of the Planning (Listed Buildings and Conservation Areas) Act 1990.

GUILDFORD BOROUGH COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Designation of Conservation Areas

Notice is hereby given pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, that on 6th August 1991 the Guildford Borough Council:

- (1) Designated the area referred to below as a Conservation Area:

Bisley Conservation Area (Bisley Camp Map No. 2)

The northern boundary of the area follows the southern side of Gallery Road to the rear of the Club houses along Club Row. This includes the Bisley Gun Club building but excludes the Clay Pigeon ranges and extends along Queens Way to Stickle-down Range.

The western boundary follows the edge of Stickle-down and Running Bear Ranges.

The southern boundary follows the boundaries of buildings along Elcho Road and returns westward and along Elcho Road to include the London-Scottish Rifle Association. It continues along the line of the now dismantled railway, thence following the road to the west of the dining hall and around the lawn to the south of King's Avenue. The boundary runs from here to the rear of the Sergeants' Mess, the Canada Pavilion and Queen's Lodge where it crosses the dismantled railway and rejoins Club Row at its southernmost end.

- (2) Extended the existing West Clandon Conservation Area by the addition of the following areas:

West Clandon Conservation Area (West Clandon Map No. 1)

1. An area to the south-west of the existing boundary which now takes in Clandon House and its immediate setting including the National Trust car parking area.

2. An area to the north of the existing area which includes the properties either side of the A247 road up to Brownlow Cottage (West Clandon Stores). To the west it includes the group of buildings centred on Cranley Cottages. To the east the boundary runs along the back of the properties fronting the A247. The properties now included are Clandon Regis, formal and walled gardens; Summers and the group of associated buildings and garden. The boundary crosses Meadowlands and takes in the Old Telephone Exchange, the Onslow Arms Inn, Anlaby, before returning to the boundary at Brownlow Cottage.

Copies of the maps showing the areas described above are available for inspection during normal office hours at the Council Offices, Millmead House, Millmead, Guildford.

HART DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Notice of Extension of North Warnborough Conservation Area

Notice is hereby given that Hart District Council, in accordance with the provisions of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, has extended the North Warnborough Conservation Area to include Warnborough Green and Mill Corner as well as North Warnborough Street and Bridge Road, in respect of which the said Council is of the opinion that such areas are of special architectural or historic interest, the character of which it is desirable to preserve or enhance.

The extension increases the degree of planning control exercised by the Local Planning Authority. Conservation consent is now required for the demolition of most buildings even if they are not listed, and 6 weeks notice must be given to the Council of the intention to cut down, lop or top trees.

A copy of the plan showing the areas designated as conservation areas may be inspected during normal office hours at the Planning Department, Civic Offices, Harlington Way, Fleet, Hampshire.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
