## NORTHAMPTONSHIRE COUNTY COUNCIL

## ROAD TRAFFIC REGULATION ACT 1984—SECTION 9

*The Northamptonshire County Council (Overthorpe Road) (Prohibition of Motor Vehicles) (Experimental) Order 1991*

Notice is hereby given that the Northamptonshire County Council have made an Experimental Order, the effect of which will be to prohibit vehicles from proceeding in that length of Overthorpe Road detailed below.

Length of Road to Which Restriction Applies: That length of Overthorpe Road from its junction with the Kings Sutton to Banbury Road in a north-easterly direction to its junction with the Warkworth to Middleton Cheney Road; a distance of 1,010 metres.

Reason for Restriction: The restriction is required as the new road layout in the vicinity of the M40 at Banbury is encouraging drivers to use Overthorpe Road as an alternative route into the town. This road is unsuitable for the amount of vehicles now using it, especially at peak times, and the growth of traffic having an adverse effect on village life and spoiling the rural setting.

Period of Closure: The Experimental Order will come into effect on 11th December 1991, and will continue in force for a period of twelve months. A copy of the Order, together with a plan showing the length of road to which it relates and a statement of the Council's reasons for proposing the Order, may be inspected at Middleton Cheney Library, Main Road, Middleton Cheney, during normal opening hours, or at the offices of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. to 4 p.m. on Mondays to Fridays inclusive.

Access: Access to resident's property will be maintained during the period that the road is closed to through traffic, and exemptions have been made for local authority and public utility vehicles, emergency vehicles, and stage and school bus services.

Objections: Objections to the Experimental Order, stating the grounds on which they are made, should be sent in writing to the undersigned by not later than 11th June 1991. After this, consideration will be given to making the Experimental Order permanent.

# Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:

HMSO Publicity, FREEPOST, Norwich, NR3 1BR
