#### PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

##### *Conservation Area Designation—Chelmer and Blackwater Navigation*

Notice is hereby given that the Maldon District Council has designated the above Conservation Area in accordance with section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990. The extent of the boundary of the Conservation Area is as follows:—

From the western district boundary to Hoe Mills the northern boundary of the Conservation Area follows Bumfords Lane, running south of the agricultural reservoir near Ulting Church and then north of the church to Ulting Wick. The southern boundary follows the edge of the valley floor on the principle that as far as possible the setting of the navigation should be included.

Between Hoe Mills and Beeleigh, the northern boundary follows Ulting Lane but runs north at Langford Waterworks to include the

whole site, then linking up with Langford Conservation Area. Beyond Langford the boundary follows Maldon Road and Langford Road before following the designated route of the Heybridge West link road east to the pond roundabout. The southern boundary follows the principle mentioned at the end of the preceding paragraph as far as the Maldon by-pass.

In the built up area of Heybridge, the boundary follows the route of the canal through Heybridge, opening out at the Wave Bridge to include the former Heybridge Primary School and associated open land and the cemetery. To the south of the canal it includes the Hilly Fields and land between the by-pass and Dykes Chase.

Finally the boundary opens up to the east of the former Bentalls building to include the Heybridge Hall area, chalet site and the former gravel workings. The Conservation Area then links up with the Heybridge Basin Conservation Area.

A plan showing the area covered by the Conservation Area may also be inspected during normal office hours at the Planning Department Reception, Council Offices, Princes Road, Maldon.
