COTSWOLD DISTRICT COUNCIL

Conservation Areas at Coberley, Hidcote Bartrim and Thames and Severn Canal (Coates and Sapperton)

Notice is hereby given that the Cotswold District Council has designated Coberley, Hidcote Bartrim and Thames and Severn Canal (Coates and Sapperton) in the County of Gloucestershire, as Conservation Areas, pursuant to sections 69 and 70 of The Planning (Listed Buildings and Conservation Areas) Act 1990.

Maps of the Conservation Areas have been deposited at the offices of the Cotswold District Council at Trinity Road, Cirencester and may be inspected during normal office hours.

The newly designated Conservation Areas comprise the following:

- (1) *Coberley*. The designation comprises two parts: most of the village, except Hamblins Cottages, and the buildings centred around Coberley Court, including the Church. Close Farm does not fall within the designation.
- (2) *Hidcote Bartrim*. The entire hamlet is included, together with landscaped parkland to the west and avenues of trees to the north and east.
- (3) *Thames and Severn Canal (Coates Section)*. A half mile section of the Canal is designated from Tunnel House Inn to the railway bridge beyond Coates Round House.
- (4) *Thames and Severn Canal (Sapperton Section)*. A two mile section of the Canal, west of Sapperton Canal Tunnel, is designated as far as the District Boundary near Chalford. Here it links up with the Stroud Industrial Heritage Conservation Area. The designation also includes part of the Gloucester and Swindon railway and a small part of the contiguous Frampton Mansell Conservation Area, which has been transferred. The District boundary roughly follows the line of the Canal/River Frome through this section and it is the southern side, within Cotswold District, that is the subject of this designation.

The purpose of designation is to enhance the character or appearance of these areas of special architectural and historic interest, and to ensure that special regard is paid to the architectural and visual qualities of the designated areas when proposals are under consideration. Subject to certain exceptions, 6 weeks prior notice has to be given to the Local Planning Authority in respect of a proposal to cut down, lop, top, uproot and cause any wilful damage to any tree in the Conservation Area. Listed Building Consent is required for the demolition of buildings or walls, whether Listed or not, within the designated area. Failure to give such notice or to obtain such consent may constitute a criminal offence.
