The Council is required to advertise in the local press and display on or near the site a notice giving brief details of any application for planning permission to develop land within the area other than Crown land if, in the opinion of the Council, the development proposed will affect the character or appearance of the area. This requirement is in addition to the City Council's own Neighbourhood Notification Scheme.

These exceptions refer mainly to listed buildings which are already subject to stringent control, certain ecclesiastical building and Crown buildings.
