NORTH WILTSHIRE DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990

Notice of Designation of a Conservation Area Bradenstoke Conservation Area, Lyneham, Wiltshire

Notice is hereby given that North Wiltshire District Council designated the above-named Conservation Area on 17th March 1992.

A plan of the Bradenstoke Conservation Area is available for public inspection, free of charge, at the District Council Offices, Planning Department, Monkton Park, Chippenham, Wiltshire, at the following times: 8.45 a.m. to 5.15 p.m. Monday to Thursday; 8.45 a.m. to 4.45 p.m. Friday.

The Conservation Area encompasses the core of the historic village of Bradenstoke, and the former Abbey and Norman earth work that lies about ½-mile south-west of the village, on the hillscarp overlooking the Dauntsey Vale.

The principle objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local planning authority 6 weeks notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority consider would affect the character of appearance of the Conservation Area or the setting of a Listed Building. The application will not be determined for 21 days after the notice is first displayed, during which time representations relating to any such
