Notice is hereby given that the Council of the London Borough of Brent propose to make the above-mentioned Orders under sections 6 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended by section 8 of and Part I of Schedule 5 to the Local Government Act 1985.

2. The general effect of the (Prescribed Routes) Traffic Order would be to:

(a) compel vehicles proceeding in:

- the carriageway on the north-west side of the north-westernmost island site situated at or adjacent to the junction of Ealing Road and Glacier Way to turn left into Ealing Road;
- the south-westernmost traffic lane situated in the carriageway that lies on the north-east side of the northernmost island site situated at or adjacent to the junction of Ealing Road and Glacier Way to turn right into Glacier Way;
- the carriageway on the south-west side of the south-westernmost island site situated at or adjacent to the junction of Ealing Road and Glacier Way to turn left into Glacier Way;
- the north-easternmost traffic lane situated in the carriageway that lies on the north-east side of the island site referred to in sub-paragraph 2(a)(iii) above to turn right into the accessway to the B & Q Store, Ealing Road;

(a) prohibit the left turn for vehicular traffic from:

(c) prohibit vehicular traffic proceeding in the road that links Glacier Way and Northwick Road entering the accessway into J. Sainsbury Ltd., 386 Ealing Road.

3. The requirements referred to in paragraph 2 above would not apply in relation to anything done:

- with the permission or at the direction of a police constable in uniform; or
- in accordance with any restriction or requirement indicated by traffic signs placed on the highway by or on behalf of the Metropolitan Police.

4. The general effect of the (Waiting and Loading Restriction) (Amendment Order) would be further to amend the Brent (Waiting and Loading Restriction) Order 1979 so that:

- the hours during which the existing prohibition applies on waiting by vehicles would be changed so that such prohibition would apply between 7 a.m. and 12 midnight throughout the week in the lengths of streets specified in Schedule 1 to this notice;
- waiting by vehicles for the purpose of delivering or collecting goods or loading or unloading a vehicle for a period of more than 20 minutes in the same place would be changed so that such prohibition would apply between 11 a.m. and 6.30 p.m. throughout the week in the lengths of streets specified in Schedule 1 to this notice;

6. The general effect of the Order would be to amend the Brent (Restriction of Waiting on Bus Stops) (No. 1) Traffic Order 1979 so that the restrictions on waiting by vehicles imposed by that Order which apply to the bus stop specified in Schedule 3 to this notice would cease to apply thereto and instead that similar restrictions as imposed by the Brent (Restriction of Waiting on Bus Stops) (No. 1) Traffic Order 1982 would apply between 7 a.m. and 12 midnight throughout the week to the bus stops which lie within the lengths of streets specified in Schedule 4 to this notice.

7. NORTHAMPTONSHIRE COUNTY COUNCIL

The Northamptonshire County Council (High Street Slip Road, Brackley) (One-way Traffic) Order 199

Notice is hereby given that the Northamptonshire County Council propose to make an Order under sections 1(1) and (2) and 2(1)-(3) and Schedule 9 to the Road Traffic Regulation Act 1984, the effect of which will be to make the length of High Street Slip Road, Brackley, from its junction with Halse Road to its junction with Burwell Hill one way, travelling in a northerly direction only.

The Reason for making the Order: It is considered necessary for road safety reasons that this section of High Street Slip Road should be made one way in an easterly direction due to the narrowness of the length of the road and the fact that vehicles park along both sides thereof making it difficult for opposing vehicles to negotiate the road in safety.

A copy of the proposed Order together with a plan showing the exact lengths of road to which it relates and a statement of the Council's reasons for proposing to make the Order may be inspected at The Library, Manor Road, Brackley, during normal opening hours or at the offices of the undersigned during the hours of 9 a.m. and 12 noon and 2 p.m. and 4 p.m. Mondays to Fridays inclusive.

Reasons for Making the Order: Due to the opening of the A422 Middleton Cheney By-pass, it is considered necessary for road safety reasons that this section of the Banbury Road should be made one-way in a north-easterly direction to prevent traffic entering the by-pass from this potentially hazardous junction.

A copy of the Order together with a plan showing the exact lengths of road to which it relates may be inspected at The Library, Main Road, Middleton Cheney, during normal opening hours or at the offices of the undersigned during the hours of 9 a.m. to 12 noon and 2 p.m. to 4 p.m. Mondays to Fridays inclusive.

TOWN AND COUNTRY PLANNING ACTS

NORTH KESTEVEN DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Designation of a Conservation Area

Notice is hereby given that the North Kesteven District Council pursuant to section 69(1) of the Planning (Listed Buildings and Conservation Areas) Act 1990, have designated the central area around the main complex of building at Rauceby Hospital as a Conservation Area.

The Conservation Area

The north-easterly point of the conservation area is at the north-westerly point of OS field number 3714. It travels in a straight line south-south-eastwards following the edge of the tree line. It turns west-south-west at the bottom of the garden area of the nursing school and after 136 metres, joins and follows the southern boundary of the formal garden areas south of the main complex. The boundary line follows the southern edge of the narrow track running at the bottom of these gardens.

The conservation area boundary cuts north-north-west at the north-western corner of OS 0078 until reaching the north-eastern corner of the tennis court. Here it cuts west-south-westwards to the north-western corner of the tennis courts. It again cuts north and then east to encompass the building north of the tennis courts. The boundary then follows northwards, along the western edge of the narrow access road which links the playing field with the road on the northern side of the main complex. It then cuts west-north-westwards at the north-westerlymost corner of the main complex of buildings. The boundary resumes a north-north-easterly direction when it reaches the western side of the access road from the north to the nurses school. It then turns north-eastwards as it joins and then follows the northern edge of the footpath leading to the northern side of Orchard House.

Just before this path turns northwards, the boundary joins and then follows the line of the drain which runs in a straight line in an east-north-easterly direction to the eastern side of the main access road and then returns to the starting point at the north-western corner of OS 3714.

The main effects of Conservation Area designation are that, subject to certain exceptions, the consent of the local planning authority is required for the following operations within the Conservation Area:

1. The demolition of any building.
2. The cutting down, topping, lopping or uprooting of any tree.

A plan showing the Conservation Area can be inspected at the address below during normal office hours.
