WIGAN METROPOLITAN BOROUGH COUNCIL

The Wigan Borough (Market Place and Market Street, Wigan) (Experimental Traffic Scheme) Order 1992 (Extension) Order 1993.

Notice is hereby given that the Wigan Borough Council, in exercise of its powers under section 9 of the Road Traffic Regulation Act 1984, has made the Wigan Borough (Market Place and Market Street, Wigan) (Experimental Traffic Scheme) Order 1992 (Extension) Order 1993. It will come into force on 26th January 1992.

The effect of the Order is to continue in operation for a further six months on an experimental basis the Wigan Borough (Market Place and Market Street, Wigan) (Experimental Traffic Scheme) Order 1992 (the original Order), which has been in operation since 27th January 1992.

The effect of the original Order is to introduce for an experimental period of 12 months traffic regulation arrangements following the completion of The Galleries development in the Wigan Town Centre.

The changes introduced by the original Order were as follows:

- (a) There is a prohibition of driving in Market Place between Wallgate and Market Street and in Market Street between Market Place and a point 70 metres south-east of New Market Street during any day. This is subject to the following exception:
 - (i) loading and unloading is permitted between midnight and 10.30 a.m. and between 4 p.m. and midnight.
 - (ii) there is provision for access for local authority, fire service, police, ambulance and statutory undertakers vehicles and for vehicles used in connection with weddings and funerals at Queens Hall.
- (b) The making of a right-hand turn from Market Place into Market Street is prohibited.
- (c) One-way working is introduced in Hallgate from Market Street to Dorning Street.
- (d) There is a prohibition of waiting on the south-west side of Market Place between Wallgate and Market Street or on the south-west side of Market Street between Market Place and a point 70 metres south-east of New Market Street. This is subject to the following exceptions:
 - (i) waiting for the purposes of loading and unloading between midnight and 10.30 a.m. and between 4 p.m. and midnight.
 - (ii) waiting by the local authority, fire service, police, ambulance and statutory undertakers vehicles and by vehicles used in connection with weddings and funerals at Queens Hall.

The original Order was made on an experimental basis so as to provide an opportunity to assess the extent to which the general prohibition of driving in Market Street could be effectively enforced.

The duration of the original Order is now extended to provide the Wigan Borough Council sufficient time to make an Order to introduce a permanent traffic scheme affecting the streets covered by the original Order before the original Order expires.

A copy of this Order, and of the original Order, and of the relevant map, and of a statement of the reasons for proposing to make the Order, and of the Orders to be suspended or revoked, may be inspected at the New Town Hall, Library Street, Wigan, between 9 a.m. and 4.30 p.m. on any day from Monday to Friday.

Any person wishing to question the validity of this Order or any of its provisions on the ground that it is not within the powers of the Road Traffic Regulation Act 1984, or that a requirement of that Act or of any regulations made thereunder has not been complied with may, within 6 weeks from 19th January 1993, make application for the purpose to the High Court.

S. D. Lowe, Borough Solicitor

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.
